Viet Nam Force From U. S. May Reach 80,000

WASHINGTON (AP) — Secretary of Defense Robert S. McNamara may discuss today the scope of a mounting U.S. troop buildup which could reach 75,000 to 80,000 men in South Viet Nam in the next several months.

McNamara called a midafternoon news conference without announcing a subject. The Viet Nam war, top U.S. concern at this time, was certain to form the center of the questioning.

About 53,500 U.S. military men are now stationed in South Viet Nam. This is more than double the force at the beginning of this year.

Feeling His Way

Gen. William C. Westmoreland, U.S. military chief in South Viet Nam, reportedly has asked for sizable reinforcements of U.S. combat elements.

Knowledgeable sources describe McNamara and Ambassador Maxwell D. Taylor as more conservative than Westmoreland in their estimates of U.S. troop requirements in Viet Nam.

There is a strong impression that President Johnson, who makes the final decisions on troop commitments, is feeling his way and will avoid any hasty moves.

U.S. authorities here and in Saigon now acknowledge that the Communist Viet Cong have started their long-expected rainy season offensive after building up manpower and supplies.

The widely held view is that the Communists probably will go all out to punish the South Vietnamese army and inflict serious casualties on the Americans, in hopes this will sap South Vietnamese morale and the U.S. will to stick.

Three Divisions Alerted

Those who hold this view also believe that if the summer offensive is blunted, and the Viet Cong are bloodied badly, North Viet Nam may at last be willing to negotiate.

Thus, the ebb and flow of the fighting this summer may determine how fast the U.S. troop commitment grows, how big it becomes, and to what extent U.S. soldiers and Marines take the field to battle the growing Communist forces.

Military staff officers in the Pentagon have prepared detailed schedules for movements of additional U.S. troops. Some of these top secret documents are as thick as telephone books.

These are contingency plans, subject to being altered by events. They could be sped up, slowed down, or suspended indefinitely.

One report indicated that elements of three Army divisions were being made ready for possible deployment to the far Pacific.

School Aid Boosted 71 Million In Senate

Goldwater Will Run For Senate Seat In 1968

SCOTTSDALE, Ariz. (AP) — Former Sen. Barry Goldwater says he will seek a U.S. Senate seat in 1968 "regardless of who runs on the opposition ticket" and promised "a high-level, clean campaign."

Drawing loud applause at a political science club meeting Tuesday night, Goldwater conceded it would be difficult to oppose Sen. Carl Hayden, D-Ariz., "but I would do it."

It was the first time Goldwater had said he would oppose Hayden, 88, an old friend and dean of the Senate — should Hayden decide to run.

Previously he had said he would run for the Senate only if an opening developed.

Goldwater's old seat is held by Republican Paul Fannin, a former governor, whose term doesn't expire until 1971.

Speaking before an audience of 500, Goldwater appeared fit and fielded a variety of questions.

By throwing his hat into the political arena Goldwater ended seven months of "just relaxing" which included a motor tour of Europe.

It was his first break from politics since he won a seat on the Phoenix City Council in 1949.

Scramble Is On To Land Site Of Atom-Smasher

WASHINGTON (AP) — A mad scramble for the megabuck has overwhelmed the Atomic Energy Commission.

From West Palm Beach, Fla., to Richland, Wash., the applications have flooded in, 65 of them from 39 states with more to come in the mail.

The prize they seek: a $280-million atom smasher, to be the largest and most powerful in the world. In atomic age slang, $1 million is a megabuck.

The proposed proton accelerator which would be devoted to basic research would be a huge circular structure a mile in diameter. It would have a capacity in the range of 200 billion electron volts — BEV. The largest one in the United States now, at Brookhaven, N.Y., is 33 BEV. The Russians are supposed to be building a 70- BEV accelerator.

Eventually 2,000 scientists, technicians and engineers will man the 200-BEV accelerator. Thousands more visiting scientists will pour in yearly. The payroll alone with be tremendous.

That is one reason why places like Washtenaw County, Mich., Missoula, Mont., and the Bad Lands of South Dakota — to name a few — have applied to provide the site.

The deadline was Tuesday night, but AEC sources said applications postmarked Tuesday would probably get under the wire.

New Formula Allotment Is $255 Per Pupil

LANSING (AP)—The Senate approved a compromise $71 million school aid increase Tuesday night with only a ripple of dissent.

The lone roll call foe of the House-approved measure was Minority Leader Emil Lockwood, R-St. Louis, who argued that passage should await other appropriation action.

The new formula increases basic per-pupil allotments to $255 from the present $236.50.

It includes a $23.3 million program to bring expenditures on low valuation districts up to the state average and $4 million for special aid to the underprivileged, many of whom do not live in low valuation school districts.

In Big Cities

Sen. Frank Beadle, R-St. Clair, tried to strike the $4 million on grounds it duplicated other programs but withdrew his amendment when it drew no support.

The Department of Public Instruction will administer the $4 million to projects submitted by districts. Senators pointed out most underprivileged students live mostly in big cities, whose over-all valuation is too high to bring them much from the $23.3 million phase of school aid.

Superintendent of Public Instruction Lynn Bartlett asked for a $91 million increase in all school aid, and Gov. George Romney wanted $32 million. Romney's request was based on revenue figures, which he since has increased.

Dumping Rights Given

The compromise formula was worked out after the House approved a $112 million increase, and the Senate was prepared to submit a $50 million increase.

The Senate approved 29-6 a bill prohibiting filling of water bottomlands without a Department of Conservation permit. A compromise amendment giving Upper Peninsula copper and iron ore processors certain dumping rights for mineral tailings broke a logjam which had hamstrung the bill Monday the bill Monday night.

A bill permitting non-military organizations to use liquor in National Guard armories also won approval.

Pilot And Son Killed In Crash At Ann Arbor

ANN ARBOR (AP) — Commercial pilot R.W. Gilbert, 43, of Saline and his son Gary, 16, were killed Tuesday when their single - engine, World War II navy fighter plane crashed near the Ann Arbor Airport, state police reported.

The F-4 Corsair, piloted by Gilbert, crashed and burned on impact in a wooded area some two miles south of the airport.

Ypsilanti state police said the plane apparently attempted to land, hit the runway hard, broke off its landing gear, regained power and flew for a short distance before crashing.

Witnesses said Gilbert, an employe of Zantop Air Transport Inc., was buzzing the airport at low altitudes for approximately a half hour before the crash.

Tanker Blows Up In Rotterdam; 10 Dutch Killed

ROTTERDAM, Netherlands (AP) — At least 10 Dutch were killed today when a Norwegian tanker was gutted in the port of Rotterdam after a heavy explosion.

Police said at least six others were missing.

Santo Domingo Rebels Shoot At Americans

SANTO DOMINGO, Dominican Republic (AP) — Sharp explosions and gunfire echoed today in the heart of Santo Domingo, where a daylong battle Tuesday between rebels and U.S. troops left 21 Dominicans dead and 24 American paratroopers wounded.

The gunfire, however, was described as moderate to light.

During the night, mortar shells landed in the rebel sector at intervals of 15 to 30 minutes after a cease-fire ended the big battle.

There was no report of casualties from the mortar firing. But the rebels said it could provoke new fighting.

The rebels suggested that the mortar fire came from troops of the military-civilian junta in the northern sector of the capital, on the far side of the international safety zone occupied by the Inter-American Force.

The dead in the prolonged battle Tuesday included 17 rebel soldiers and two children. Twenty-six wounded Dominicans were brought into a hospital in the rebel sector. A Brazilian lieutenant of the inter-American peace force also was wounded.

Among the dead was Andre Riviere, a top aide to rebel Defense Minister Col. Ramon Manuel Montes Arache. Riviere was a Frenchman who had been fighting with the rebels.

The mediation team of the Organization of American States blamed the rebels for starting the shooting. The OAS team said the rebels opened fire at 8 a.m. and American paratroopers of the Inter-American Force didn't shoot back for 25 minutes.

Space Travelers Split Up Today

JACKSON (AP)—For the first time since they blasted off 13 days ago, the Gemini 4 twins—astronauts James A. McDivitt and Edward H. White II—were separated today.

White returned to his native San Antonio, Tex., to receive the plaudits of the city where he was born, and McDivitt, was here for a hometown welcome.

But before the week is out, they will be together again, this time in the White House Rose Garden.

There they are to receive from President Johnson Thursday the Exceptional Service Award of the National Aeronautics and Space Administration along with Charles W. Matthews, manager of the Gemini program office of the Manned Space Center.

The parting of McDivitt and White at Jackson's Reynolds Airport Tuesday night concluded a day in which they had been made Doctors of Astronautical Science while 30,000 cheered in a stadium ceremony at the University of Michigan, from which both won degrees in 1959.

They also took part in dedication of the university's new $1.7 million Space Research Building, to which an estimated 10,000 cheered their motorcade and where another 2,000 gathered.

There was a bit of added attraction for McDivitt today. It was his ninth wedding anniversary, the first this 36-year-old busy Air Force officer could recall "us being together for."

McDivitt, whose father is an electrical engineer here, got a taste of the welcome he could anticipate today when some 15,000 turned out to cheer his arrival with White Tuesday night.

On tap for McDivitt today was a downtown parade, a reception, a recognition luncheon and a commencement speech by him at Jackson Junior College, of which he also is a graduate.

Senior classes of both parochial and public schools were invited as special guests for his speech.

The parade was to form at 9:00 a.m. and march off at 10 a.m.

McDivitt brought with him and White took to Texas "atmosphere clocks" as gifts from Michigan's Gov. George Romney. Each was inscribed: "The time our hearts were with you in space."

Romney said he hoped the clocks would be "constant reminders" and explained to newsmen that atmospheric pressure kept the clocks working constantly.

Senior Citizens Get Bargain On Fishing License

LANSING (AP) — "Any man who loves his wife enough to take her fishing shouldn't be penalized by having to pay for her license," said Rep. Russell Hellman, D-Dollar Bay.

And with that the House defeated an amendment on a Senate senior citizens fishing license bill that would have required a separate license for the fisherman's wife.

The bill, passed by the House Tuesday and on its way to Gov. Goerge Romney, allows over-65 fishermen to pay only 50 cents for a license — wife included.

West German Veteran Killed By Red Guards

BERLIN (AP)— West Berlin officials expressed fears today that rioting might break out Thursday at the Red wall after East Berlin guards shot and killed a German war veteran and critically wounded his fiance.

On Thursday, West Germany and West Berlin commemorate the 12th anniversary of the anti-Communist revolt in East Germany. The West Berlin government has called on citizens to attend a rally in front of City Hall.

The West German couple were shot while boating on the Teltow Canal Tuesday afternoon. They strayed a few feet into Communist territory.

Rocket Guided By North Star 400 Miles High

CAPE KENNEDY, Fla. (AP) — A 1,000-pound experimental payload carrying an "electronic navigator" rocketed 400 miles high today and used a telescope-eye to lock onto the North Star for guidance.

The Air Force announced success of the test, the first for a new star-tracking guidance system which might steer future missiles or spacecraft.

The payload later plunged to a fiery atmospheric friction death 225 miles southeast of Cape Kennedy.

It carried a compact inertial guidance system which literally steered itself by a star. The telescope peered into the heavens, sighted the North Star, and hitched onto it for a reference.

Excise Tax Cut Bill May Go To Johnson Friday

WASHINGTON (AP) — Senate leaders hoped to get started today on a Senate-House conference to complete congressional action on the $4.7-billion excise tax cut bill.

"There is a strong push to get this bill to the White House as soon as possible," said Sen. Russell B. Long, D-La., floor manager of the bill the Senate passed 84 to 3 Tuesday night.

It was understood the drive was to get the bill on President Johnson's desk by Friday. Both Senate and House must approve the recommendations of the conference committee.

Early Date Specified

Long said he hoped the first-stage excise cuts would go into effect about 10 days before July 1. This assumes the House will go along with the Senate on this date. The House bill specifies July 1 as the effective date for the first stage.

This is one of the major differences in the two bills, and Senate sources said they understood House conferees would accept their version.

Another major difference is in the treatment of the excise tax on autos, the biggest item in the bill amounting to $1.9 billion a year.

Johnson asked for a cut of half of the present 10 per cent auto tax to 5 per cent. The House voted for repeal of the entire 10 per cent tax in stages ending in 1969.

The Senate also refused to go along with the President on this. But it voted to retain 1 per cent of the tax, yielding about $190 million a year, to get rid of unslightly roadside auto graveyards.

Then the Senate adopted an amendment eliminating the remaining 4 per cent conditioned on the agreement of auto makers to build the same safety devices into their cars which the federal government requires on autos it buys.

Both houses agreed that two items, the repeal of the first 3 per cent of the auto tax and the 10 per cent tax on air conditioners, would be retroactive to May 15, when Johnson first announced his recommendations.

A second series of cuts would go into effect next Dec. 31 or Jan. 1, and a third series would be scheduled in 1967, 1968 and 1969.

After enactment of the bill, the only major excises left will be those on cigarettes, liquor, wine, beer, air travel, gasoline and other highway-related items.

Senate sources said they believed the House conferees would insist on its full 10 per cent cut of the auto tax and eliminating the Senate amendments.

The tax cuts promise lower prices on cars, appliances, air conditioners, television and radio sets, cosmetics, handbags, jewelry and watches, furs, cameras, pens and pencils, telephone service and many other items.

But it is up to manufacturers and retailers to pass their lower costs along to the consumers.

The three senators who voted against the bill were Harry F. Byrd, D-Va., Frank Lausche, D-Ohio, and John J. Williams, R-Del.

Lausche argued that it was folly to slash taxes by more than $4 billion and then boost the national debt ceiling by $4 billion at almost the same time.

Saigon Airport Bomb Explodes

SAIGON, South Viet Nam (AP) — A large Viet Cong force ambushed a government convoy 15 miles southwest of Saigon today, apparently captured the American adviser with the unit and shot down a helicopter sent in to relieve the convoy, U.S. spokesmen announced.

One of the American crewmen aboard the helicopter was killed and the other three were seriously wounded, the spokesmen said. The helicopter reportedly exploded in the air and crashed.

In another part of Viet Nam, two U.S. Air Force fighters collided and crashed, the spokesmen announced. They said one pilot parachuted to safety and was picked up but may have been wounded.

No one was seen parachuting from the other plane before it crashed, the spokesmen reported. Both planes were A1 propeller-driven fighters, which normally carry two persons.

A terrorist bomb exploded in the civilian terminal building of the Saigon airport, injuring 34 Americans and at least 12 other persons, but 120 U.S. troops waiting a short distance away to board two jet transports for the United States were not harmed.

None of the Americans was reported seriously injured.

New Flood Wave Causes Tension On Danube River

VIENNA (AP) — Tension mounted today in flood-stricken communities along the rampant Danube River as a new wave of water rushed down from melting snowfields and glaciers in the Austrian Alps.

Today's Chuckle

Helicopters Ram Together; 18 Dead

COLUMBUS, Ga. (AP) — "It's bad because it catches you off guard," said the officer in the pilot's flight suit. "I haven't any memory of anything as bad as this from Viet Nam, I'll tell you."

The veteran of Viet Nam was looking at the wreckage and some of the bodies of the 18 soldiers killed in the collision and crash of two Army assault helicopters Tuesday.

A thin stream of smoke rose from the smoldering parts of one of the two helicopters which rammed together during a training flight at nearby Ft. Benning.

One went down in flames and landed in a swampy area, the other struck a tall pine tree about 50 yards away and fell to the ground.

There were two bodies under the wreckage and shattered tree branches and other bodies scattered about.

"As an educated guess," said another officer who declined to be identified, "they sideswiped each other for some reason."

The second helicopter was not burned badly but it was a mangled mass of metal, tubing, cables, instruments and parts the Ft. Benning commanding there by the pine tree.

Maj. Gen. John A. Heintges, general, said in a statement that he joined with all personnel of the infantry center "in sorrow for those who lost their lives as well as for their bereaved parents and families."

Capt. Wade Ladue, a Ft. Benning public information officer, said four HU1B helicopters were flying in tight formation when the accident occurred. They were at low altitude shortly after takeoff.

The two helicopters in the rear collided, he said, and as far as could be determined the men in the other two craft didn't see what happened.

Each of the helicopters had a capacity of 10 — three crewmen and seven infantrymen.

The information office said they were the same type used by the Army in Viet Nam but declined to say whether the soldiers were in training for action in Southeast Asia.

The victims were from B and C Companies of the 38th Infantry of the 2nd Infantry Division. They were on a training mission in a remote area of the sprawling reservation. The helicopters were assigned to the 227th Assault Helicopter Battalion, 11th Air Assault Division.

Stock Market Rallies Briskly

NEW YORK (AP)—The stock market rallied briskly early today in a continuation of Tuesday's sharp recovery drive.

Industrials as a group recovered another big piece of ground lost in the five-week slide.

Prices rose on a broad front, taking in motors, steels, rails, utilities, oils, chemicals, airlines, aerospace issues, rubbers and most other major groups.

Gains of key stocks went generally from fractions to a point or so.

General Motors advanced 1⅛ to 98 ¼ on an opener of 8,500 shares. Ford and Chrysler gained fractions.

American Photocopy, most-active issue for the past three sessions, looked as if it would do it again, rising ¾ to 10¾ on an opener of 45,000 shares and bettering its price slightly in later dealings. Ahead about 2 were IBM, U.S. Smelting, Xerox and Boeing.

SOVIET PLANE designer Oleg Antonov (dark suit, right hand raised) talks to newsmen at Le Bourget airport near Paris after arrival in his giant new transport plane which can carry 720 passengers or a payload of 80 tons. (AP Wirephoto by cable from Paris)

Free Enterprise

Paper Co. Story Told By Bennett

The success of the free enterprise system as evidenced in the birth, development and expansion of an Escanaba industry was described by Ernest G. Bennett, retired industrialist, to the Rotary Club at its meeting at the House of Ludington Tuesday noon.

The history of the Escanaba Paper Co. goes back more than 60 years, and the success story is an example of the benefits of the free enterprise system, said Bennett, who was president of the Upper Peninsula Power & Light Co. and of the Escanaba Paper Co. until his retirement in 1954.

Men like the late Matt Smith, John K. Stack, J. C. Kirkpatrick, H. W. Reade, J. B. Moran, the Clearys and others were among the few in the area at the turn of the century who saw the opportunity for utilizing one of the region's natural resources, Bennett said.

Power To Paper

They and their associates also formed the Escanaba Traction Co., which provided transportation in Escanaba and northward to Gladstone.

Construction of the No. 1 hydroelectric dam on the Escanaba River near the West Gladstone bridge provided the additional power for the street railway system.

The No. 2 dam near Groos was built next, the decision was made to utilize another resource, and the construction of a pulp mill followed. This mill supplied the pulp needs of paper mills at Munising, Rhinelander and elsewhere. It was the Escanaba Wood Fiber Co. at that time.

Problems Overcome

Grades of paper changed and with new demands came reorganization of the company and construction of a new papermill, which was begun in 1919 and completed in 1920. The Escanaba Paper Co. was formed, with 50 per cent local money and 50 per cent of the capital from the Mead Investment Co.

The production of newsprint for mid-western dailies began and continued until Canada's mills, on the basis of cheap power and cheap wood, undersold the mills in the U. S. This brought another change in product at Escanaba — this time to wall (or hanging) papers in 1930.

There were problems both physical and financial. The dam at Boney Falls washed out and the wall of water roared downriver, carrying out No. 1 dam and flooding the central power station. The plant was down for about three weeks. The manufacture of wallpapers proved profitable, and then declined as painted and paneled walls became popular.

Training Youth

The Mead Corp. took over the company in 1942 by an exchange of stock. A change in product to machine coated paper was made and supplied such publications as Time, Life and others. "Mead is doing a wonderful job in Escanaba," said Bennett.

Courtesy, consideration and cooperation are the foundation for labor-management relations and "when they are ignored innocent people are injured," the speaker continued.

The need to better acquaint youth with the fundamental principals of the free enterprise system that spells success in the war against totalitarian ideologies was voiced by Bennett. Homes, churches, schools and groups such as Junior Achievement and others are preparing youth to better understand the American freedoms and combat the "vicious propaganda" of communism, he said.

Carl Wickman introduced the speaker and the meeting was conducted by Robert Haack, Rotary Club president.

Quick Relief from Pile Irritation

Larry Lundell

Lundell Heads Garden Schools

David C. Harju, superintendent of the Garden Township Schools for the past two years, has resigned and has been succeeded by Larry Lundell of Iron Mountain. Harju has returned to his home in Negaunee.

Lundell is the son of Mr. and Mrs. Leslie Lundell, Iron Mountain. He assumes his duties July 1.

He is a 1957 graduate of Iron Mountain High School.

He received his B.S. degree from Northern Michigan University in 1961, and his M. A. degree from Northern in the summer of 1964.

Lundell taught business education at Fifield, Wis., for one year and for three years taught business education at Coleman, Wis.

He is married to the former Rita Bartolameolli, of Iron Mountain. They have a daughter, Lori Ann, age two.

Obituary

LORRAINE MEUNIER

Funeral services for Lorraine Meunier, 11-year-old daughter of Mr. and Mrs. Harlan Meunier, who drowned while swimming in Green Bay near Ford River, were held at 2 p. m. Tuesday at Salem Ev. Lutheran Church. The Rev. John J. Wendland officiated. Burial was in Lakeview Cemetery. Pallbearers were David Lindstrom, Holland McEachern, Mark Ostlund, Terry Arnold, Stephen Baumler, Donald Morreau and John Mulvaney.

MADALINSKI RITES

Funeral services for Mrs. Lucille Madalinski and her son, Jerry, victims of last weekend's highway accident, were held Wednesday at 10 a. m. at St. Michael's Church in Perronville. Father Raymond Smith officiated. Burial was in Perronville Cemetery.

Members of St. Michael's Rosary Society attended the services in a body and schoolmates formed an honorary escort for Jerry.

Pallbearers for the mother were Richard DeGrand, Matt Verbrigghe, Marcell LaChapelle, Frank and Walter Gaber and Felix Wislo. Pallbearers for Jerry were Joseph and Tom Shiverski, Tom Pietrowski, Clarence Bartosz Jr., Mike Pach Jr. and James Gaber.

In Service

Seaman Joseph M. Sarasin, USN, son of Mr. and Mrs. Gordon B. Sarasin of 533 N. 19th St., Escanaba, is serving aboard the destroyer USS Shelton, currently undergoing overhaul at the Naval Shipyard, Bremerton, Wash. The mission of his ship includes anti-submarine warfare; the detection and destruction of enemy submarines.

Delta Sending Five To Camp

One hundred and seventy handicapped children from throughout the Upper Peninsula are expected to participate in the six-week camping season at Bay Cliff Health Camp in Big Bay, Marquette County, this year.

The total represents the capacity of the camp.

Bay Cliff's camp season will extend from June 21 through Aug. 1.

The youngsters will range in age from 4 to 17 years.

By counties, the number of children scheduled to stay at the non-profit, non-denominational camp are: Alger, 8; Baraga, 8; Delta, 5; Chippewa, 16; Dickinson, 20; Gogebic, 7; Houghton-Keweenaw, 24; Iron 12; Luce, 7; Mackinac, 6; Marquette, 36; Menominee, 6; Ontonagon, 8, and Schoolcraft, 9.

This will be the 32nd year of operation for Bay Cliff, according to John Vargo, Marquette, executive director of the camp.

Vargo said staff members for the camp will be from all parts of Michigan and from Texas, Oregon, Iowa, Ohio, Illinois and the Panama Canal Zone.

"We will have a full six-week dental program, which is being sponsored by the Mott Foundation, the United Cerebral Palsy Foundation, the Michigan Department of Health Dental Division, the University of Michigan Dental School and the University of Detroit," Vargo said. "The program will be staffed with a dentist, a dental hygienist and a dental assistant."

Improvements under way at the camp now include construction of a shower and toilet facility to conform to Michigan Department of Health regulations and replace an old inadequate facility.

A metal fence will be installed along the top of a hill behind campers' cabins as a safety measure.

A pond in the camp has been covered to eliminate a mosquito breeding ground, and plans call for this area to be developed for recreation purposes.

Sportsmen Will Hear Report On Project Rainbow

Delta County Sportsmen's Club will hear the first report on "Project Rainbow" at its June meeting at 8 Thursday evening in the clubhouse.

The club is seeking donations from fishermen and others interested in starting spawning runs of rainbow trout in Delta County streams. The goal is $500, with which to purchase young trout for planting.

Delegates to the Michigan United Conservation Clubs convention at Cadillac on June 24-25-26, will review the agenda of that meeting to learn the attitude of the club.

Outdoor pictures will be shown following the business session.

Trap and skeet shooting will be held on the club ranges from 6 until 8. Shooting is open to all.

Hospital

Mrs. Lloyd Sundberg of Ensign underwent surgery at St. Francis Hospital yesterday. Her room number is 201.

Arlis II is a huge iceberg which was first spotted 130 miles north of Point Barrow, Alaska, in 1961.

Rip Van Winkle Couldn't Sleep with Nagging Backache

Now! You can often get the fast relief you need from nagging backache, headache and muscular aches and pains that may cause restless nights and miserable tired-out feelings. When these discomforts come on with over-exertion or stress and strain you want relief — want it fast! Doan's Pills by their speedy pain-relieving action work promptly to ease torment of nagging backache, headache and muscular aches and pains.

Also, when mild bladder irritation follows unwise eating or drinking—often setting up a restless, uncomfortable feeling—Doan's Pills work in two ways for comforting relief: 1) their soothing effect on bladder irritation; 2) Doan's mild diuretic action through the kidneys tending to increase output of the 15 miles of kidney tubes.

Enjoy a good night's sleep and the same happy relief millions have for over 60 years. For convenience ask for Doan's large size. Get Doan's Pills today!

Madalinski 'Poor,' Others Improving After Fatal Crash

Stanley Madalinski, Star Rte. Perronville, whose wife and only son were killed in a head-on crash involving the family car Saturday at Flat Rock, continues to be in "poor" condition today at St. Francis Hospital.

Madalinski, driver of the car, is reported suffering from chest injuries and is not allowed visitors.

Driver of the second car, Donald Sharkey, Rte. 1, Gladstone, was reported improving today and is in "good" condition. Gilbert Sovey, Rte. 1, Gladstone, who was a passenger in the Sharkey car, also is improved and listed in "fair" condition.

The accident happened at 7 p. m. Saturday on Co. Rd. 416 at the east entrance to the Flat Rock town hall. State Police of the Gladstone Post are continuing their investigation.

Do FALSE TEETH Rock, Slide or Slip?

FASTEETH, an improved powder to be sprinkled on upper or lower plates, holds false teeth more firmly in place. Do not slide, slip or rock. No gummy, gooey, pasty taste or feeling. FASTEETH is alkaline (non-acid). Does not sour. Checks "plate odor breath". Get FASTEETH at drug counters everywhere.

M-50 ONLY $235*

NEW ADVENTURE FROM HARLEY-DAVIDSON

*f.o.b. Milwaukee

Meet the M-50. New from Harley-Davidson. Continental styling, American standards of quality. Under an all-steel, welded frame, the M-50 packs a spirited 50 c.c. engine that's so easy on fuel it puts nearly 300 miles between filling stations. Take a test ride. Glide through the gears, level off at 40 m.p.h. for some of the smoothest cruising on two wheels. Husky internal expanding brakes bring you back down safely, swiftly. And its personality? Adventuresome, undemanding, but definitely split — one side for fun, the other for low-cost, practical transportation. One ride and you'll agree — the Harley-Davidson M-50 is the greatest new go on wheels. *See it at:*

HARRY K. Gjelsteen, Menominee, potentate of Ahmed Shrine Temple, left, presents a check for $350 to John Vargo, right, field representative for the Bay Cliff Health Camp, Big Bay, on behalf of the Shrine. The amount represents the donations made by members of the Shrine from throughout the Upper Peninsula to the Temple's Christmas Activities Fund. Robert Bouschor, Temple recorder, said that during the past three years the Shrine has donated over $10,000 to Bay Cliff through its Shriners' Workshop program.

Kenton Resident, Heino Anderson, Taken By Death

Heino K. Anderson of Kenton died Tuesday at St. Luke's Hospital, Marquette, where he had been a patient several weeks.

An uncle of Miss Lura Brown of 904 S. 15th St., Escanaba, he spent the past winter here. His wife, the former Lula Haring, died in February of 1964.

Burial will be in Lakeview Cemetery.

When school bells ring in Samoa, youngsters throng into open-air fales with shingled roofs and seat themselves cross-legged before television sets.

Loan Requests In U.P. Hit 27

Twenty-seven applications for Economic Opportunity Act loans in the Upper Peninsula have been received by the Upper Peninsula Committee on Area Progress, reports Dr. E. V. Bowden, executive director.

In a memo to Small Business Development Center Committees of the U. P. and other economic agencies, Dr. Bowden said that 6 of the applications now are being processed for final approval by the Small Business Administration; that all of the other applications have been reviewed and returned to SDBC committees for additional information.

"We are now ready," said Dr. Bowden "to accept up to 6 additional applications from each approved SDBC Committee."

The loan applications ask for from $7,000 to the maximum of $25,000, with most in the $15,000-$20,000 range for financing of recreation enterprises, local supply services, wood products and craft industries, etc.

The first loan approval is expected in a few days.

UPCAP has asked the U. S. Office of Economic Opportunity for a grant to hire professionals to help it process loan applications and the grant request now is being reviewed.

"I realize that most of the people who want to borrow under this program are asking you for more help than you are able to give them," said Bowden in his memo. "All you can hope to do is to help the few most urgent and least complicated cases and ask the others to wait until the professional staff is available to work with them.

Loan applications by counties, with numbers received by UPCAP reported first and those submitted to SBA for approval second follow: Schoolcraft, 7-1; Menominee 5-0; Mackinac 4-2; Luce 4-0; Delta 2-1; Houghton 2-0; Alger 1-0; Gogebic 1-1; Iron 1-1.

HELICOPTERS

First man-carrying helicopter was built and flown in 1907 by Paul Cornu, although Leonardo de Vinci had designed a model during the 15th century, according to the Encyclopaedia Britannica.

Reading Class Needs Students

About 90 elementary students have been enrolled in the summer "Developmental Reading Program" of the Escanaba Area Public Schools, Louis Diedrich, chairman of the program, said today.

Capacity enrollment for the program is 120.

Diedrich said any parent whose children attend the Escanaba Area Schools can enroll their children in the program up to July 1 by contacting the business office of the school district, 1219 N. 19th St., or by telephoning the office at ST6-5411.

"Original referrals were made by elementary teachers, but we are now accepting any Escanaba Area elementary student whose parents are interested in the program," Diedrich said.

Classes are scheduled at the John Lemmer elementary school for two and one half hour sessions daily from July 12 to August 6. Children will attend either morning or afternoon periods.

The program is designed to give children an opportunity to improve reading skills and revitalize interest and enthusiasm in reading and will be taught by six elementary teachers from the Escanaba Area system.

Children will be placed in classes on their own "instructional level," which will not necessarily correspond to their regular grade level in school in an attempt to prevent children from experiencing "reading regression," thereby falling behind and giving up.

Members of the teaching staff are: Mrs. Amanda Ryan, Mrs. Leona Erickson, Mrs. Mary McDonough, Mrs. Barbara Piquette, Mary Newton and Edward Thompson.

Further details on the program are available at the school administration offices.

Briefly Told

The Delta District Practical Nurses will hold their monthly meeting at 7:30 p. m. Thursday at Bay de Noc Community College in room 208. All practical nurses and students are invited.

The municipal bathing beach will open for the season Saturday, June 19, with lifeguards on duty from 10 a. m. to 8:45 p. m.

Firemen today brought under control and expected to extinguish a fire in a sawdust pile near the Early American Fence Co. plant on the shore at Bay View. Firemen from Escanaba, Gladstone and Bark River were called when it was at first feared the fire might get out of control.

Spotting a car driving without headlights at 1:51 a. m. today, Escanaba police gave chase and halted the car on Escanaba's northside. The driver leaped from the car and escaped. The car was returned to its owner, Lorin Blowers, 1309 N. 22nd St., and police are continuing their investigation.

SAFE DRIVING for 10 years on the U.S. mail route brought to Eino Salmi of Rock a safe driver's award pin from Rock Postmaster Francis Trombly. The postmaster wears a centennial vest in recognition of the Rock community's 100th anniversary celebration to be held this summer. (Mrs. Albert Weldum Photo)

Businessmen On Lakes Cruise To Arrive Friday

Escanaba is dusting off the municipal dock for the arrival of the cruise ship S. S. South American and its several hundred members of the Greater Detroit Board of Commerce on Friday.

Walter Lewke, manager of the Escanaba Chamber of Commerce, said the ship will arrive here at 7 a.m. on its Escanaba stop — one of several on the cruise that begins in Detroit today and will end there on Sunday.

Stops will be made at Traverse City, Escanaba, Menominee and Mackinac Island in that order.

Combining pleasure, promotion and goodwill, the cruise of the Detroit Board of Commerce is an annual event that has brought the businessmen to Escanaba several times in the past.

Here the Senior Citizens group is arranging transportation for the Board of Commerce people on their stay, including transportation to the Holiday Bowl for a bowling tournament for some, to the Escanaba Country Club for golf for others, and deep water fishing on the Curtis Dahm fish boat for the anglers in the group.

A luncheon aboard ship is scheduled with the Detroit Board of Commerce hosting the Senior Citizens, officials of the City of Escanaba, directors of the Chamber of Commerce and other invited guests.

Industrial tours of the Birds Eye Veneer Co. plant and the Escanaba Division papermill of the Mead Corp. are also planned for those who are interested.

Willis H. Hall, president of the Detroit Board of Commerce, will speak at the informal luncheon program and the response will be made by John J. Mitchell, president of the Escanaba Chamber of Commerce.

The Detroit businessmen and their families will leave at 2:30 o'clock on the next leg of their cruise to Menominee.

SLUG SOUP

DAR ES SALAAM, Tanzania (AP) — Sea slugs, rather horrible-looking creatures which abound on the shores of Tanzania, are regarded by Eastern gourmets as a luxury additive to soup.

Creating U.P. Jobs

The State of Michigan is currently engaged in its first major experimentation with the use of public funds for research to create industry in the state. The Legislature appropriated $750,000 for a starter. Some of it went to Michigan Tech at Houghton to study processes that could develop industries using Upper Peninsula natural resources. This is all in the mood of the current belief that there's great magic in research and development. R&D won't get you into Heaven, but it's economic orthodoxy today to believe that it will make an industry more profitable.

There is a wisdom beyond this sort of thing for the Upper Peninsula that becomes more and more apparent. The holders of the best keys to industrial growth in the Upper Peninsula are the labor unions. They can create an industrial climate of labor cooperation with management which will make the area's resources attractive for development in the competition with those of other areas. Or they can kill industrial development.

* * *

Management used to find a likely resource or enterprise and get investors to lay their money on the line and then build a plant and ring a dinner bell for labor to come and run it. The process still prevails, but time has worked some changes in it. Most manufacturers today could manufacture at some place other than the one they're in.

Hamm's beer needn't really be made in the Land of Sky Blue Waters. The Mayo Brothers would be as successful in Sparta, Wis., as at Rochester, Minn., and they'd be nearer more of their patients. Johnson needn't make his wax in Racine. Many big industries and services have grown from little beginnings. Some stay at home base that never would have started there if they hadn't started small.

* * *

Labor attitude has become a major factor in plant location. An area that needs jobs and fills them so productively and cooperatively that management doesn't have to worry about THAT problem has an important asset.

One of the great needs of industry today is the ability to change to meet new conditions. Getting labor to change can be a stumbling block, although job security is tied to a profitable industry, not an unchanging one.

The time when labor didn't have to be competitive with labor from other areas, just as its employer must compete with industries from other areas is long past. Industrial growth will go where it can flourish.

Hugh Black, vice president of industrial relations of Mead Corp., laid it on the line in a frank talk to Escanaba Division honorees of Mead employment at a recent service recognition dinner in Escanaba when he told about his big corporation's plans for capital spending.

* * *

"Escanaba has many things going for it (to attract industry) compared with other communities across the nation that are looking for industrial development, but I will be honest with you:" said Black. "If you want some share of Mead's $500 million (capital spending program for the next 10 years) you had better give serious thought to existing restrictions on the company's ability to operate such facilities when it is deemed necessary.

"We don't intend to make any major investments in the future in an area which restricts us from full 7-day operations of paper and pulp mills when we feel such operation to be in the corporate interest."

Mead competes not only in Michigan, but in the nation and the world. It does what it has to do to survive and grow. That means it grows where it can survive. Towns that want one of its paper mills, or an expansion, are on notice. The favorable tax rate and ample water and acceptable shipping rate aren't enough. Where's the crew to run the mill on Sunday?

* * *

Mead's Escanaba mill works Sundays as needeed. The healthy attitude of its workers was indicated when the Delta County Board of Supervisors held public hearing on a proposed Michigan state law to ban Sunday activities. George Young, now a past president of the Papermill Workers Local at the mill, told the meeting that such a legal ban on Sunday work in Michigan could destroy Michigan jobs in competition with Southern mills in states with no such bans. Northern union members he said, weren't keen on Sunday work, but they wanted to make the determination, not have the state move their jobs to Dixie with a Sunday closing law.

The Doctor Says:

Elderly Should Go Easy

By Dr Wayne G. Brandstadt

If you plan to go to the New York World's Fair you should make sure you can take it. This applies particularly to persons who are over 60. Dr. Paul Dudley White, the eminent heart specialist suggests that elderly persons have a physical examination before they visit the fair. Their visits should be limited to half a day, preferably in the morning when the crowds are not so heavy.

If you feel that you must spend more than half a day at the fair, it is wise to combine a half a day of walking with a half a day at the Dynamic Maturity Pavilion or other restful centers.

As an aid to elderly persons at the fair, Dynamic Maturity, which is sponsored by the American Association of Retired Persons and the National Retired Teachers Assn., has prepared a leaflet entitled "Helpful Hints for Older Persons Visiting the New York World's Fair."

This brochure lists services and pavilions of special interest to retired persons. It may be obtained at the Dynamic Maturity Pavilion or by writing to the Pavilion, New York World's Fair, Flushing, N.Y.

So, if you are over 60, remember the words of the poet, John Dryden, who said: "None but the brave deserve the fair."

Q—My daughter, 15, and son, 17, are both nearsighted. Will close work make them more nearsighted? Do contact lenses help to prevent nearsightedness from getting worse?

A—It was long believed that close work caused or aggravated nearsightedness. We now know that this is not so as nearsightedess is just as prevalent in primitive tribes as it is in those who read incessantly. Close work can cause eyestrain if the illumination is not right — not bright enough or too much glare—but this will cause evening headaches rather than nearsightedness.

Properly fitted lenses (contact or conventional) will improve the vision and help prevent eyestrain but will not affect nearsightedness. In most persons their nearsightedness starts in childhood or their teens, progresses slowly and remains fairly stationary in adult life. In progressive nearsightedness the condition progresses rapidly and requires wearing very thick lenses. Fortunately this hereditary disease is fairly rare

Voice From the Hill

Moose Herd Growing In Tahquamenon Swamp

By JAMES A. O. CROWE
In the Detroit News

In the big Tahquamenon swamp, one of the wildest stretches of country in Michigan, a small herd of moose is slowly increasing, but attracting no attention whatever except from game biologists.

About 50 miles northwest of Sault Ste. Marie, an estimated 25 animals has become well established. Moose have been present in the area for at least 10 years.

Moose are plentiful on northern Canadian shore of the Great Lakes. Ontario officials estimate there are 40,000 in the White River-Geraldton District alone. There is a thriving herd of about 300 moose on the Isle Royale National Park, 55 miles off Michigan's Keweenaw Peninsula. But the Tahquamenon swamp animals are the only moose herd of any size to have become established on the United States mainland of the Great Lakes area since the original population was driven out when the original forests were lumbered off.

* * *

Typical Moose Country

Robert Strong, Michigan Conservation Department game biologist, said that the moose have made a permanent home in about 150 square miles of the swampy Tahquamenon River water shed. Their range extends about 15 miles north and south, from the lower Tahquamenon River to a point north of the little town Paradise. The moose area runs about 10 miles inland from the shore of Whitefish Bay.

The new mainland home is typical moose country, low and marshy Along the water courses are dense jungles of willow and tag alder. The bogs grow thick with high grass and a chest-high bush known as Labrador tea. All of these are favorite food of the moose.

Ridges and highlands in the area are densely covered with maturing spruce and balsam, the type of protective forest that moose like for their winter yarding areas.

* * *

Range Defined

Strong has been able to outline the animal's range through regular reports of sightings, which include calves as well as adults, indicating that the population is permanent and is reproducing. He estimates that the range has enough food and cover to support population of at least 100 moose.

The most likely theory on the origin of the Tahquamenon herd is that the original animals crossed from the Canadian mainland on the ice of lower Whitefish Bay during the winter 10 or 12 years back. Moose are fairly numerous both north and east of Sault Ste. Marie, Ontario.

The Canadian island of St. Joseph in the lower St. Mary's River also has a good moose population, and the animals are known to wander frequently in winter.

Moose were plentiful on the mainland of northern Michigan during the days of the fur traders, and the animals were an important source of food along with elk, caribou and deer. But moose do not take kindly to civilization. They vanished from the mainland during the lumbering days.

Deer, however, thrived when the tall virgin timber was cut off, and the land was opened up to a second growth of aspen and other low growing deer food.

The return of the moose, even though on a small scale, is an indication to biologists that the Michigan forests are again reaching maturity. As the forests of tall white pine, hardwoods and swamp hemlock slowly return, the moose appear to be returning with them.

But there is a price to pay. The deer, which like open growths of low trees and shrubs, are declining. In the 1940's the Michigan deer herd was estimated at as high as 1,000,000 animals. Since then it has dropped to as low as about 600,000. Last fall, following a series of favorable winters, the herd increased to 800,000 according to estimates.

It may be that we will have to settle for fewer deer and more moose as the forests continue to mature.

Liberals Resented

By BRUCE BIOSSAT

WASHINGTON — (NEA) — Between President Johnson and some parts of the liberal community there is an increasingly severe alienation of spirit.

The disenchanted liberals now take the broad line that the President is doing almost everything right in the domestic field and everything wrong in foreign affairs.

They profess utter bewilderment at his performance. They say they do not understand how a man who presses a war on poverty and battles for Medicare and new civil rights gains at home can take a tough course in Viet Nam and the Dominican Republic.

The President, hearing this, finds a little comfort—so White House sources say—in remembering that the late Franklin D. Roosevelt, a hero of the liberals today, was bombarded by their earlier counterparts for the "hard line" actions he took in foreign affairs just before World War II.

Some of these assaults went to the point of charging that Roosevelt's New Deal deliberately provided just enough social reform to shore up the nation for a solid military effort.

No prominent liberals have thus far said this of Johnson, though poet Robert Lowell did use the words "militaristic" and "belligerent" to describe the President's foreign policies.

* * *

Some of the President's associates give the clearest picture of the disenchantment with this kind of talk which is felt on the White House side. Says one of these:

"These liberals are archaic. They don't lead anything . . . . They are no more than a small minority of the liberal community. They do not include most of the labor liberals and the regional liberals of the West and South."

In this man's view, the geometric rise in scientific knowledge in recent decades has given leadership to a fraternity of "doers" whose creativity is far outdistancing allegedly unproductive liberals in the fields of practical affairs. He adds:

"They're just not keeping pace, these old-style liberals. They're not coming up with new ideas. Often they find themselves arguing for things that have already been adopted. Civil rights legislation has been their last big push. Now they don't know what to do."

Except, obviously, to pound away on the foreign policy front.

* * *

Perhaps implicit in these administration responses is the notion that the liberals' foreign policy complaints take on added fury from the fact the liberals see so little to complain of in Johnson's domestic programs. The posture of criticism is their normal attitude.

As noted at the outset, their charges now are cast in the most sweeping terms. Less is heard about the folly of our bombing in North Viet Nam, our failure to negotiate with the Reds, and other specifics. The bombing goes on, and the Reds refuse to talk. So big labels like "militaristic" gain in currency.

This use of broad brush strokes by the disenchanted liberals is resented by key men in the President's circle far more than were some of the more specific criticisms voiced earlier this year.

One high - placed official privately spoke feelingly on this score. He granted a big place for complainers in a free society and indicated he might well be one of them—at least at some points—if he were on the outside looking in.

But he was highly annoyed at liberals who paint administration men as a band of warminded, power-grabbing individuals indifferent to all but "hard line" viewpoints. He accused the liberals of grossly misrepresenting or misunderstanding particularly the attitudes and purposes of Secretary of Defense Robert McNamara. Another high source strongly echoes this defense of McNamara.

Transmitting word of this annoyance seems unlikely to temper the assaults of the complaining liberals, who do not appear in a mood to be convinced. And so the gulf widens, for men around the President do not think the complainers speak for many. One associate expressed it graphically:

"I try to keep one foot out in the world, and it's not hot."

BARBS

By WALTER C. PARKES

After "teach-ins' by college profs, students could create a sensation by daily "learns-ins."

"Gumption" is a good old word that may vanish from lack of use.

ROSETTA STONE

The famous Rosetta Stone, bearing identical inscriptions in hieroglyphics, Greek and Demotic characters, was found near Rosetta, in Egypt, in 1799.

People, Events Of Yesteryears

From the files of the Escanaba Daily Press

25 YEARS AGO

Jim Anzalone, well known Escanaba barber, predicts Italian troops will last a month if they do much actual fighting. He said they are notoriously bad soldiers and not in sympathy with Mussolini.

St. Anne's Church in which Albert Wilson was baptized, received his First Holy Communion and where he was confirmed will have it's member return as Rev. Fr. Albert Wilson, S. D. S. He will celebrate his First Solemn Mass this morning.

Neighbors for many years, Mrs. Emily Jaeger and Mrs. Julianna Flemming both pioneer residents of Escanaba, are celebrating their birthday anniversary on June 17. Mrs. Jaeger will be 80 years old and Mrs. Flemming will be 86.

The Lions Citizenship and Patriotism Committee will discuss "What is to be done about Foreign Agents?" The angles to be considerad are propaganda and the undermining of American patriotism.

50 YEARS AGO

Work on the new State Saving Bank has been rushed in spite of unfavorable weather. The two massive pillars are up and the stone front is nearly half erected. The passerby can now get some sort of idea of the magnificence of the building when completed.

City Council has voted unanimously to adopt a full time health officer for the city. His salary will be approximately $2,000 a year. By passing this plan, Escanaba becomes one of the three cities in the U. P. to take this advanced position.

A report by the Michigan State Commission of Inquiry into Wages and Conditions of Labor for Women, pays tribute to the workingwomen and employers of female labor in the Upper Peninsula. Many wage earning women in the U. P. do not know how much is necessary to be self-supporting. Three thought $6 to $8 would be enough while 16 insisted it would take $10 a week in order to live decently.

Auto manufacturers announced their plans to create more twelve-cylinder cars and also to lower the prices on other cars. The Overland, for example, will dip in price from $1,075 to $750 and the Buick big six Roadster $1,600 to $1,400.

The treaty ending the War of 1812 was signed by American and British emissaries at Ghent, Belgium, on Dec. 24, 1814, but the news did not reach the United States for many weeks. In the meantime, the Battle of New Orleans broke out on Jan. 8, 1815.

Ann Landers

Ads Are Better Than TV Junk

Dear Ann Landers: I'm a teen-ager who got a boot out of the letter from that square mother who complained about the TV commercials. She was afraid the brassiere and girdle and beer ads would give her teen-agers ideas.

I'm telling that mother she doesn't need to worry. We never pay any attention to the commercials. In fact, the minute a TV commercial begins we go to the bathroom, or run to the kitchen to get a drink of water or something to eat. (Teen-agers aren't the only ones who do this. Adults do it also.)

Just to test if I am right, I'll bet if this mother would ask her teen-agers the sponsors of their favorite programs they wouldn't be able to tell her.—VIEWER AGE 17

Dear Viewer: From what I've seen on TV lately you kids are watching the wrong stuff. For the most part, the programming is so poor it almost makes tasteless commercials look good.

* * *

Dear Ann Landers: Our son is a sophomore in high school. He has become a serious student of biology. Several weeks ago they studied the hookworm, the fluke and other parasites. Now our son refuses to eat meat unless it is burned black. He says people get sick and even die from eating undercooked meat.

Both my husband and I have tried to tell him this is not true. Neither of us has ever heard of anyone who got sick or died from eating rare meat. Will you settle this in your column? It is a nuisance to have to cook meat special for the boy.—ASSIST NEEDEA

Dear Assist: Eating rare meat does not make people sick. Only if the meat is infected will it cause illness. The U.S. government meat inspectors do a fine job of protecting the public against this hazard.

It is best to cook all meat fairly well—especially pork—but it does not need to be burned black.

* * *

Dear Ann Landers: I am not very pretty and have never had many dates. It is horrible for an 18-year-old girl to sit home night after night while all her friends are having fun.

Then Paul came along. I was so thrilled to have a boy friend that I knocked myself out doing everything I could to keep him interested. Well, I did everything all right, and that was my big mistake.

After six months, Paul said, "This is the end of the line for you and me. I've met a 100% pure, clean-living girl and I want to marry her."

I reminded Paul that I had been 100% pure and clean-living until he came along. He said, If you were dumb enough to buy my sales pitch it's your tough luck, not mine."

Please print my letter as a warning to other girls who may be tempted to make the same mistake. I am so ashamed I can't look in the mirror. — SMART TOO LATE

Dear Friend: Better to get smart too late than not at all. Some girls make this same mistake over and over again and they never catch on. Bury the past and put into practice your new-found wisdom.

* * *

CONFIDENTIAL TO HADDY NUFF: It is incredible that a physician would bring your gallstones to a party as a conversation piece and tell people they were yours. This is in shocking bad taste, but cause for a lawsuit—I doubt it.

* * *

When necking becomes petting, watch out! To learn how the smart girl keeps both her dignity and her boy friend, send for ANN LANDERS' booklet, "Necking and Petting —And How Far To Go," enclosing with your request 20c in coin and a long, self-addressed, stamped envelope.

Ann Landers will be glad to help you with your problems. Send them to her in care of this newspaper enclosing a stamped, self-addressed envelope.

Firemen's Helper's Home Burns

LOUISVILLE (AP) — "I can't serve you coffee this time, boys," Walter Swyers told a company of Louisville firemen.

Swyers is an officer in the Salvation Army and has been helping people for 30 years, even to serving coffee and donuts whenever there is a big fire.

This fire swept the Swyers' home, and he and his wife had to flee in their night clothes.

Neighbors took up the good deed, however, carrying on for the Swyers and serving coffee to the firemen.

They'll Do It Every Time — By Jimmy Hatlo

Jackson Parade For Astronaut Breaks Records

By A. F. MAHAN
Associated Press Writer

JACKSON (AP) — Jackson gave a spectacular "conquering hero" welcome home today to its astronaut, James McDivitt, back from space 13 days.

This 36-year-old's home town of 55,000 was jammed by its record crowd in history — an estimated 125,00 — which lined a parade route.

While the Gemini 4 pilot was being welcomed here, his space-walking twin, Edward H. White II, from whom he was split Tuesday night, was receiving a similar reception at his native San Antonio, Tex., home.

Together since their splash-down in the Atlantic a week ago Monday, McDivitt and White received honorary doctor of astronautical science degrees from their joint alma mater, the University of Michigan at nearby Ann Arbor Tuesday.

They split at Jackson's Reynolds Airport, where some 15,000 turned out Tuesday night to greet them.

The two will be reunited Thursday at the White House, where they are to receive the Exceptional Service Awards of the National Aeronautics and Space Administration from President Johnson.

Jackson's parade was colorful, tuneful and splashed with beauty. It also was loud, with a tiny cannon firing as it went, jet fighters from Selfridge Air Force roaring over the red and blue-splashed streets, and a roar of cheers following as McDivitt and his wife, Pat, rode down the packed parate route in a convertible.

McDivitt's parents, Mr. and Mrs. James A. McDivitt Sr., rode in the parade's lead car, followed by his sister and her husband, Dr. and Mrs. James Shehan of Jackson. The father is an electrical engineer with Consumers Power Co. here.

A teen - aged youth epitomized the throng's spirit as he marched alongside the astronaut's car hositing high a placard carrying a color picture of McDivitt and this caption:

"By Gemini, you did it."

An hour before the parade pushed off, the route already was jammed with people spilling from sidewalks into the streets. Windows of almost every building were jammed, and both tickertapes and confetti floated down almost cloudlike in spots.

With the Great Lakes Naval Training School in the lead, seven bands marched. There also was a colorful American Legion drill team and float after float, some bedecked with beautiful girls and others with such space hardware as the Air Force's Bomarc and the Navy's Jupiter missiles.

There was also a 1919 Briscoe automobile built in Jackson and recently reclaimed from a Texas owner by this city's Junior Chamber of Commerce.

Space Program Running Ahead Of Its Schedule

WASHINGTON (AP) — The head of the Office of Manned Space Flight says the Gemini space program is ahead of schedule. But he said it is too early to say if the date for a landing on the moon can be moved up from the late 1969 target.

Dr. George E. Mueller, who is also associate administrator of the National Aeronautics and Sapce Administration, noted that the 4-day Gemini 4 mission just concluded had originally been scheduled)for the third quarter of the year.

He also said the United States has a long way to go before it can safely say it is ahead of the Soviet Union in space research.

More Than 700 Dead In 10-Week Indian Epidemic

NEW DELHI (AP) — More than 700 deaths were reported today in a gastroenteritis epidemic in the northeast state of Assam and in a killer heat wave gripping northern India.

The 10-week epidemic in Assam has taken 560 lives, reports to Calcultta said, and more deaths were feared imminent. The disease resumbles cholera. the heat toll hit 144 deaths today, and no relief was in sight. Daytime temperatures for the past four days have ranged from about 108 in New Delhi to more than 120 in the Gaya district of Bihar state.

DEDICATION of the Exchange Club's dental clinic, Escanaba Area High School, was on Tuesday at the visit of Rudolph C. Hasselbach, state president. Pictured (from left) are Ben Johns, president of the Escanaba Exchange Club; Dr. Robert Mattice, clinic dentist; and Hasselbach, who spoke to the club Tuesday night. Children of Delta County are the patients. (Daily Press Photo)

Forest Fires In U.P. Down From Year Ago

Eight fires burned 5.2 acres in the Upper Peninsula state protection area for the week ending June 11, according to Karl Kidder, regional fire supervisor, Department of Conservation, Marquette.

No fires were reported from the Baraga District, there were 6 in the Crystal Ralls District; 2 in the Escanaba Dist. (which area is comprised of Delta, Marquette, and west one-half of Alger Counties), burning 1.4 acres, with 28 fires burning 71.2 acres to date. No fires were reported from the Newberry District.

A total of 104 fires have burned 262.4 acres in the Upper Peninsula to date. Last year at this time, there had been 245 fires reported burning 991.4 acres.

Tour Will Visit Foreign Co-ops

L. A. Cheney, secretary of the Michigan Association of Farmer Cooperatives, will lead a tour to Scandinavia for Michigan Farm Bureau, 4000 N. Grand River Ave., Lansing. Persons interested may write there. The tour leaves Aug. 30 and returns Sept. 20 and will visit Norway, Sweden, Finland, and Denmark.

Famed Master Heads Retreat

Fr. Conrad Zielinski

On the weekend of June 25-27, couples married from one to 15 years will make a closed retreat at the Marygrove Diocesan Retreathouse, Garden. A noted retreatmaster in the person of the Rev. Conrad Zielinski, OFM, director of the Franciscan Mission Band, Hartland, Wis., will conduct the spiritual exercises.

Father Zielinski was born in Florida, N. Y., in 1910 and studied for the priesthood in Granby, Mass., and in Warsaw University. Ordained in 1935, he was assigned early to mission and retreat work. He entered the U. S. Air Force in 1942 and was assigned as deputy air chaplain at Headquarters of the Air Force in Washington, D. C., and served in that capacity until 1946.

He spent four years in Europe as staff chaplain in Wiesbaden, Germany and in 1955 was assigned as the first chaplain of the Air Force Academy in Colorado Springs. He resigned from the Air Force in 1959, and served as rector of St. Mary Preparatory Seminary in Crystal Lake, Ill. In 1963 he assumed directorion of the Mission Band of Hartland. Father Zielinski is well known throughout the Midwest as preacher, missionary and retreatmaster.

An added feature of the young couples retreat at Marygrove this year will be the active participation of the laity. Mr. and Mrs. Barth DeMerchant, students of theology at Marquette University, Milwaukee, will conduct some of the conferences and lead the discussions. Reservations so far have produced couples from Minneapolis, Milwaukee, Detroit, Neenah, Wis., and several cities of the Upper Peninsula.

There are still a few reservations available and they can be had by writing to Mr. and Mrs. William Rodman, 1027 N. 20th St., Escanaba, or phoning them at ST6-1169. Registration fees must be in by June 22.

Briefly Told

Escanaba police have issued traffic court tickets to Florence E Tremaine, Port Huron, for failing to yield the right of way; and to Lorin Blowers, 1309 N. 22nd St., defective brakes.

Head Starts' Leaders Train

MARJUETTE — Representatives of eight Upper Peninsula counties and one Lower Peninsula county are attending a "Project Head Start" professional preparation program at Northern Michigan University this week.

The one-week intensified instructional program began Monday and will terminate Saturday.

Northern's program, one of nine being conducted by Michigan Universities to prepare a professional staff of 1,000 to operate "Head Start" Child Development Centers this summer, includes social work, nutrition, problem situations, preschool education, and testing and evaluation.

U. P. Head Start projects represented at Northern include:

Alger County — Eleanor Brisson, Beatrice Mixon, and Margaret McLaughlin.

Bark River-Harris — Jane Bratina, Charlotte Tousignant and Geraldine Bell.

Brimley — Lydia Hawkins, Meda Kinsella and J'Hannah Baker.

Crrney-Nadeau — Belle Berto and Lillian Senger.

Gladstone — Mary Groos.

Mackinac County (Newton Township) — James Brownson and Norman Wixson.

Newberry — Angeline Lackey and Bonnie Schaap

Rock — Helmi Lepisto.

St. Ignace — Susan Nelson and Anne Sorensen.

Schoolcraft County — Howard Schwartz, Diane Knuth, Bette Haindl and Grace Gero.

Stephenson — Myrtle Erickson, Ann Ahlskog, Mamie Feher, Geraldine Kerwell and Alice Gucky.

Total Is Down On Unemployment

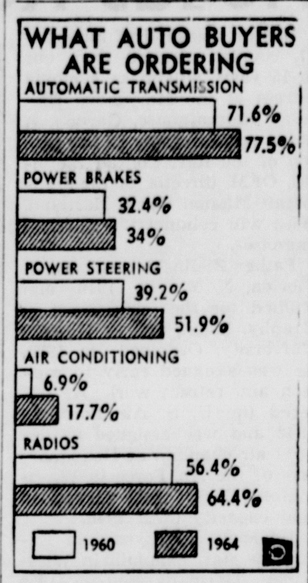
WASHINGTON (AP)—Unemployment last month dropped to the lowest level in nearly eight years.

The Labor Department said Monday that 3.3 million persons were unemployed and 72.4 million were working. The unemployment percentage, seasonally adjusted, was 4.6 per cent.

The department said the brightest spot in its monthly figures was a continuation of the decline in long-term unemployment. It totaled 800,000, down 300,000 from last year.

Some Cambodian village houses have elaborate altars in front of them—eight-foot thrones on stilts shaded by an umbrella. They are for cut hair. "Hair is the favorite hiding place for evil spirits," explained a native.

GLADSTONE



AUTO EXTRAS — Caught up in the current car-buying boom, Americans are showing a greater appetite than ever for extras. Chart compares major accessories ordered on new cars for the years 1960 and 1964. Information from Automobile Manufacturers Assn.

Water Accidents Increase Sharply

EAST LANSING (AP)—Michigan has had a drastic increase in water accidents state police report. They said, there were 83 deaths this year in 104 water accidents, an increase of 24 deaths and 30 accidents compared with last year.

Rock

Women's Group

The Faith-Beth Ladies group will meet at the Bethany church in Perkins Thursday, June 17, at 7:45 p. m. A colored film will be shown. Everyone is welcome.

Birth

Sp/4 and Mrs. James Whittman are parents of a daughter, Theresa Lynn, born June 11 in a hospital in Munich, Germany. The infant weighed 7 pounds at birth and is a granddaughter of Mr. and Mrs. Arnold Sayen.

Mr. and Mrs. Frank Salmi attended the high school graduation of their nephew, Wayne Trombly, at Munising last week. He is the son of Mrs. Ruth Trombly and the late Alden Trombly.

Mr. and Mrs. Ronald Beauchamp attended the high school graduation of Bill Gabrielson at Frankfort last week. He is the son of Mr. and Mrs. Art Gabrielson and a cousin of Mrs. Beauchamp.

Pram Sailing Starts Monday At Gladstone

Final plans are being made for the opening of the pram sailing season on Monday, June 21, according to Brian Martin, co-sponsor of the program. Pepper Martin will assist with the supervision.

During the past four weekends the Junior Yacht Club members assisted by Tom Aos, have been busy painting and repairing the prams as well as the shelter and dock. The girls of the unit completed the salvage and dyeing of the sails, part of the original equipment, with the exception of one set donated by Dr. George Kelly alst season. Steve Schram is commodore of the Junior Yacht Club.

Registrations for the pram program, under the direction of the City Recreation Department are being taken at the pram site now by B. Martin and will continue throughout the season. Age limits are not being specified this year and no compulsory swim requirements with the exception of children in the 9 to 10 age group, who must be registered or have completed a beginners swim class, are needed.

According to Martin, no person will board the pram dock or a pram unless he or she is wearing a Coast Guard approved life jacket. Parents are asked to provide such a jacket if they prefer. The city purchased 12 new life jackets last season and these will be available at the pram site.

Hours for sailing will be 9 a.m. to 12 noon and 1 p.m. to 4 p.m. Monday through Saturday.

Baptist Program To Have Quartet

Rev. Morse G. Archer and a male quartet will present a program at the First Baptist Church of Gladstone Saturday at 7:30. Mr. Archer, formerly pastor of Immanuel Baptist Church, Kingsford, is the principal of the Vancouver Bible Institute, a school of the Baptist General Conference. The quartet, all students of VBI, will sing at various services of the Annual Sessions of the Baptist General Conference meeting in Akron, Ohio, June 30 to July 4.

The quartet, made up of Patrick Jenkens, Erwin Stenzel, Michael Ooten, Wesley Long, and Douglas Johnson, the pianist, who is from the North Shore Baptist Church of Menominee, are presenting a program of music and challenge to youth in Conference Churches as they travel to the meeting in Akron.

Vancouver Bible Institute offers training to students from Canada and the United States on a Bible College level. Miss Yvonne Austin, daughter of Pastor and Mrs. Dana M. Austin of the First Baptist Church, Gladstone, was a student at V. B. I. this past year.

Briefly Told

Charles R. Trobridge, 21, of Kiva was ticketed by State Police for violation of the basic speed law, too fast for conditions, after he lost control of his car and hit a telephone pole off M-35 about seven miles south of Escanaba at 5 a. m. today. A passenger in the car, Penny Flynn, 19, of Trenary, was treated by her family doctor for a bump on the head received in the accident.

A careless use of firearms complaint in the Chemical Plant location is being investigated by State Police today. Clem DeCamp, 410 S. 11th St., Escanaba, reported to police that a hole had been shot in the radiator of his car while it was parked Tuesday at the Early American Fence Co. plant.

State Police issued traffic summonses Tuesday to Loretta McNutt, Perkins, speeding; Daniel Arts, 503 S. 12th St., Escanaba, defective equipment; Robert Willis, Escanaba, no operator's license.

The Ladies Aid of St. Paul's Lutheran Church will meet Thursday at 2:30 p. m. in the church parlor. Mrs. Frank Klug will be the hostess.

Personals

Richard Ebbeson and Jim Carlson are in Milwaukee seeking employment. The boys are staying with Roger Ebbeson who is employed in Milwaukee. According to word received by Mrs. Harold Ebbeson, Richard has already found work.

The National Park Service, after a decade of research through four million documents, letters and illustrations, is restoring Independence Hall and 25 historic buildings in more than six city blocks. The project could take 20 years.

1019 LUDINGTON ST. PHONE ST 6-3333

Zorba Replaced In 'Ben Casey'

HOLLYWOOD (AP) — So it's goodby, Dr. Zorba; hello, Dr. Freeland.

Wild-haired Sam Jaffe has scrubbed up for the last time on "Ben Casey," the long-run neurosurgery show. He has bequeathed his scalpels and specimens to his one-time fellow player in the group theater, Franchot Tone.

Looking mature but dashing at 58, film veteran Tone has slid into his new position with ease. Long a holdout against a television series, he accepted his new post "because I want to work at my profession."

Why the switch from Jaffe to Tone? It was no secret that Sam had become disenchanted with his often desultory duties on "Casey." Tone reported that Jaffe scrutinized the small print in his contract, discovered his option had been picked up two days too late, and said, "So long, fellas."

brother in Florida when this happened. He received a call from his New York agent, who had heard from his Hollywood

Tone was vacationing with his agent, who had been contacted by Bing Crosby Productions, which makes "Casey."

Would he be interested in teaming up with Vince Edwards on "Casey"? Tone said yes and is now here to assume his role as Dr. Daniel Niles Freeland.

"I had refused series for years," he explained, "because I wanted to remain in New York to be near the theater. But lately there haven't been enough plays worth doing. I turned down more guest shots on television than I accepted. Parts in films were few and small in nature — cameo shots, they are called.

"I like my profession. Since there is not enough work elsewhere, I can work at it here, where I have a chance to test my abilities. It's better to know that you have a challenge than to sit on your rear and wait."

Peninsula Potpourri

MENOMINEE—Inquires from prospective entrants are arriving almost daily for the third annual Menominee River Canoe race scheduled Saturday, July 3. The course is a 35-mile test from Bear Point on Highway 180 to the Marinette city limits. Included in the course is a short portage around the Ingalls power dam.

★ ★ ★

SAULT STE. MARIE—Les Cheneaux voters have turned down by better than a three to one margin a plan to consolidate Les Cheneaux schools with three other school districts in the southeastern Upper Peninsula. DeTour and Drummond Island voters approved the plan and Raber Township electors tied 40-40 on the proposal. Rules of the election provided that all districts must approve the plan. Les Cheneaux voted against it, 371 to 104.

★ ★ ★

RUDYARD—Two area men were severely injured on a farm north of here by a charging cow. The men were attempting to round up a cow and her newly-born calf when the cow went berserk and attacked. Sault Ste. Marie War Memorial Hospital officials reported one man suffered a fractured arm, several fractured ribs and two broken collar bones in addition to being gored in the hip. The second man suffered fractured ribs and facial lacerations.

★ ★ ★

HANCOCK — Suomi College has announced plans for launching a $150,000 capital fund campaign to partially finance construction of a new $400,000 library-science building. Construction of the new building will be the second phase in a long-range development effort by the college. The school recently dedicated a $575,000 student center and residence hall, the first new building erected on campus in 25 years.

★ ★ ★

SAULT STE. MARIE—When a Marlette, Mich., used car dealer ran a special on used cars offering a $10 discount for each child, former Sault residents Mr. and Mrs. William Macklin knew what to do. The Macklins packed their 12 children off to the lot. The Macklins selected a car costing $115. Their bonus discount came to $120, so the dealer wound up giving them a free car and a check for $5.

★ ★ ★

MARQUETTE — Director of the Marquette & Iron Mountain Railroad Co. have tentatively set Friday, June 18, for the opening trip of the tourist steam railroad to Big Bay.

★ ★ ★

IRONWOOD — Construction has begun on a campground at Lower Dam Lake in the Kenton District of the Ottawa National Forest. Plans call for a new access road, a seven-family unit campground, a picnic area, carry down boat landing and associated water and sanitary facilities.

Group Attends Michigan State Commencement

BARK RIVER—Mr. and Mrs. Otto Lindquist and sons, Leonard and Daniel, Alex Urbanc, Mr. and Mrs. Norbert Manko, Mrs. Howard Case, Iron Mountain, William Manko, Salvatorian Seminary, St. Nazianz, Wis., Mrs. Joseph Barr, Edward Manko, Lavonia, formerly of Bark River and Iron Mountain, Mr. and Mrs. Patrick Bergman, Brighton, also former Bark River residents and Brother Athanasius, principal of Msgr. Gabriel High School, Lansing, and formerly principal of Holy Name High School in Escanaba, attended the graduation exercises at Spartan Stadium on the campus of Michigan State University in Lansing Sunday afternoon, when Michael Lindquist, Bark River, received a bachelor of science degree as "number one" student in the class of 3,185 with a 3.98 grade average.

Also in Lansing for the weekend to attend the graduation from MSU of Karen Good Berquist and her husband, Barry Berquist, were Mr. and Mrs. Chester Good of Harris and Mrs. Arthur Anderson of Escanaba. Mrs. Berquist received a degree in Home Economics and Mr. Berquist is a math major. Chief Justice Earl Warren of Washington, D. C. was speaker.

Michael Lindquist is employed for the summer with the Delta-Menominee Health Department and in September will enter the University of Wisconsin, Madison, on a National Aeronautics and Space Administration Fellowship to carry on research in the department of food science and biochemistry.

Births

LAMARCH—Mr. and Mrs. William A. LaMarch, 1322 Ludington St., are the parents of a daughter, Jean Marie, born at St. Francis Hospital June 15 at 8:13 p. m. The infant weighed 7 pounds and 1 ounce. Mrs. LaMarch is the former Janet Bink.

Women's Activities

Kathleen K. O'Brien, Charles Maier Wed

Kathleen Knox O'Brien and Charles Edward Maier repeated their marriage vows before the Rev. D. Douglas Seleen in a 2 p. m. double ring ceremony Saturday, June 12, at First United Presbyterian Church in Escanaba.

The wedding services was followed by a reception at the House of Ludington.

The bride is a daughter of Mr. and Mrs. John A. O'Brien of 1515 17th Ave. S., Escanaba. Mr. Maier's parents are Mr. and Mrs. William Maier, Maple Ave., Pine Brook, N. J.

The bride wore a white silk shantung sheath gown with applique detail of flowers at the waist and hemline of the skirt which formed a chapel train. Her three-tiered fingertip veil was caught to a pillbox with flower applique. She carried a cascade of white roses and lily of the valley.

Attendants in Blue

Blue crepe sheaths, floor length, with empire waistline, and veiled blue crepe bow headpieces were the attire of her attendants. Colleen O'Brien was her sister's maid of honor. Bridesmaids were Jean Biro of Marblehead, Ohio, and Carol Herbert of Ann Arbor, both college roommates, and Mrs. Dean Crabbs of Tupelo, Miss., the former Charmaine Kleiman of Escanaba, a high school friend. Their flowers were cascades of blue tipped carnations.

Mr. Maier's best man was his brother, William E. Maier of Boulder, Colo. Serving as groomsmen were William Medlyn of Calumet and Steve Renton of Bloomfield Hills, fraternity brothers, and Stephen Belin of Smith Mill, Pa., a cousin.

The bride's brothers, Michael and Timothy, seated the guests.

Mrs. O'Brien's champagne beige crepe dress was complemented by a rough straw beige picture hat, brown accessories and a green cymbilium orchid corsage. Mrs. Maier wore a pink flowered hat and accessories and a pink cymbidium corsage with her dress of seafoam blue lace. The bride's grandmother, Mrs. Gladys G. O'Brien of Gainesville, Tex., chose a beige lace dress and accessories. Her corsage was pink carnations.

Music of Service

Mrs. David Briggs, organist, played "Trumpet Tune" by Purcell for the processional and the Mendelssohn recessional. Soloist, Mrs. Charles Nagy of Western Springs, Ill., sang "A Wedding Prayer", Williams, and "The Lord's Prayer" by Malotte.

During the reception, Mary Douglas, a close friend of the bride, presided at the guest book.

The newlyweds will live in Marquette after an Upper Peninsula honeymoon. The former Miss O'Brien attended Northern Michigan University and Mr. Maier is a student at the same school, where he affiliated with Delta Sigma Phi fraternity.

Wedding guests were from Pine Brook and Newark, N. J., Smith Hill, Pa., Boulder, Colo., Dallas, Tex., Sault Ste. Marie, Marquette, Milwaukee, Troy, N. Y., Manila, Philippines, and Western Springs, Ill.

Mrs. Krause Is Named Head Of Post Auxiliary

BARK RIVER—Mrs. John D. Krause was elected president of the Rheaume-Knauf American Legion Auxiliary at the meeting held Monday night at the Community Hall. Also elected were: 1st vice-president, Mrs. Arthur Fournier; 2nd vice-president, Mrs. Edward Motto; secretary, Mrs. Albert Olson; treasurer, Mrs. John Moniowczak; chaplain, Mrs. Leslie Sundquist; historian, Mrs. Leo Knauf; sergeant-at-arms, Mrs. Ronald Hurtubise.

The three top winners in the queen contest held June 10, selected by judges from the TOPS Club were: Cheryl Peltier, Harris, Carol Arkens, Bark River, and Mary Ann Kutha, Perronville. One of these will be selected as Miss American Legion and will be eligible to enter the Queen Contest at the Upper Peninsula State Fair in August.

The Auxiliary will serve lunch all afternoon on July Fourth following the parade and adjournment to Pulaski Park one mile west of Bark River. The Fourth of July celebration is being sponsored by the local Legion Post.

Attend Wedding

Mr. and Mrs. Henry W. Boyle returned Sunday night from Milwaukee where they attended the wedding of William F. Boyle, son of Mrs. Francis Boyle of East Troy, and the late Dr. Boyce, to Miss Kathleen Werner, which took place at Christ King Church, Saturday at 11 a. m.

Prick the membrane of shad roe in several places before poaching so the membrane will not burst during the cooking process.

THE ENGAGEMENT of their daughter, Judie, to Robert Steinmetz is announced by Mr. and Mrs. Richard J. Cousineau of 811 N. 20th St. Mr. Steinmetz is a son of Mr. and Mrs. Urban G. Steinmetz, 201 S. 5th St. The future bride, a 1964 graduate of Holy Name High School, presently is employed by the S. S. Kresge Co. in Escanaba. Her fiance is a 1965 graduate of Bay de Noc Community College. An Oct. 16 wedding is being planned. (Lee's Studio)

Memorial Award Honors Teacher

MARQUETTE — The Alma Williams Swinton Memorial Award in Music has been established at Northern Michigan University in honor of the late Mrs. Swinton, who taught music in the Upper Peninsula for more than 50 years. The award will be given to students who have demonstrated distinct musical talent.

Mrs. Swinton devoted her lifetime to the advancement of music as an accomplished pianist, teacher, and outstanding citizen. Dr. and Mrs. Swinton moved to Marquette from Ontonagon at the end of World War I, and Mrs. Swinton taught music here continuously from then until her death last April.

Contributions to the fund may be sent to Northern Michigan University, Marquette, in care of the Alma Williams Swinton Memorial Award.

with Ray Crandall

What's with this Felch baseball team, anyway . . . For the second straight week the Foresters walloped a Wishigan League foe by a 25-0 margin . . . This time it was Wallace taking the lumps as Felch batters fattened their averages with 22 hits off Roger Wood, Bob Whitens and Marvin Kline . . . Rance Hill led the assault with a homerun, double and three singles . . . Buck Carlson and Bill Potter also belted four-baggers.

* * *

In another Wishigan contest Stephenson downed the Menominee Chiefs 9-3 with Ken Rasner and Craig Sundquist stroking circuit clouts and Bill Vincent getting the mound decision . . . Felch leads the league with a 5-0 record while Menominee, Wallace and Stephenson are tied for the runnerup spot with a 3-2 marks.

* * *

Bob Dufresne scored the first hole in one of the season at the Menominee North Shore Golf Club, hitting an ace on the 165 yard No. 5 hole . . . In his foursome were two brothers, Roger and Richard and Bob Krysiak, Menominee High School basketball coach.

* * *

Trenary registered a 9-2 victory over Skandia in Lake Superior Baseball League action as Sonny Pasanen served up a six-hitter for his third straight mound decision . . . Dennis Ylinen and Jerry Hytinen led the Trenary plate attack on Bob Dillinger with homeruns . . . In the other LSL game, Sawyer AFB trounced Ishpeming by a 13-3 margin.

* * *

Ironwood is the defending champion in the Western Upper Peninsula baseball conference, a league composed of four high school teams . . . Coach Wayne Melchiori has 10 lettermen back from last year's Red Devil team that won nine of 10 starts . . . There is another Upper Peninsula prep conference that plays baseball during the summer months . . . Members of the Eastern Upper Peninsula league are St. Ignace, Engadine, Pickford and DeTour . . . St. Ignace is defending champion in that circuit.

* * *

Winner of the 75 yard dash in the Michigan women's telegraphic track and field meet this spring was a high school sophomore from Berglund, Elsie Mae Soderstrom . . . She stepped the distance in 9.1 seconds . . . She placed sixth in the state in the 100 yard dash.

Rate Nicklaus Open Favorite

ST. LOUIS (AP) — The giant figure of Jack Nicklaus, seeking golfdom's first professional grand slam, loomed over the Bellerive Country Club's lengthy acres today as 150 of the world's premier players put the final touches on preparations for the U.S. Open golf tourney.

Many of the 136 pros and 14 amateurs who start the four-day tourney Thursday have contended that the vast, 7,191-yard course — longest ever in the 65 years of the Open — heavily favors the long-hitting Ohio Fats.

"Every course favors Nicklaus," retorted Bob Charles.

Just behind the 23-year-old Masters champ came determined Arnold Palmer, attempting to turn back Nicklaus' threat to his tottering throne, and ailing defending champion Ken Venturi.

Other favorites include Gary Player, the little South African who, along with Nicklaus and Palmer, makes up golf's big three, Tony Lema and Billy Casper.

And, of course, there's a sentimental choice, 53-year-old Sam Snead, a bulky, drawling ghost from another golfing era, making his 25th try for the one major title that has eluded him.

"It's long and it's tough, plenty tough, the toughest open course I've ever seen," Snead said. "It's so long Nicklaus has five strokes on the rest of us."

Nicklaus demurred, but he was about the only one.

"You've got to pamper this course, not sledgehammer it," said Jack, who needs to add the Open, PGA and British Open to his Masters for the grand slam that's never been accomplished.

The last two days of the tourney are scheduled for national television coverage by NBC, starting Saturday at 4 p.m., EST, and Sunday at 3:30 p.m.

The weather for the first couple of days of practice rounds has been perfect — a bright sun, clear skies, temperatures in the low 80s, a slight breeze. The long-range forecast is for more of the same. If it holds, crowds of about 20,000 are expected the last two days.

The Open carries a value of about $125,000, with $25,000 to the winner.

Art Wall was forced to withdraw Tuesday because of a back injury. He was replaced by Ted Kroll.

Rec Baseball Teams Forming

Registration for Beginners and Junior league baseball is in full swing at Club 314 this week and teams will be organized next week.

Boys may sign up at Club 314 from 10 a. m. to 12 and 1:30 to 4 p. m. Registration will continue at Royce Park next week under the direction of Harold Johnson who will be in charge of the program again this year.

Girls Softball

Lombardi's defeated Sayklly's 21-16 in eight innings Tuesday night after Sayklly's had scored eight runs to tie the score at 16-16 in the seventh. Sue VanEffen was the winning pitcher.

Swish Of Horton's Stick Gives Tigers 6-5 Triumph

DETROIT (AP) — One swish of Willie Horton's bat capped a memorable evening for the Detroit Tigers Tuesday night.

And, as Manager Charlie Dressen said, "It would have been a shame to lose this one after the way our two relief pitchers came through."

Horton hit a three-run homer in the eighth inning to give the Tigers a 6-5 victory over the Boston Red Sox after the visitors had chased starter Dave Wickersham with three runs in the first inning.

Denny McLain, who said afterward he didn't feel he had too much on the ball until the third inning, came in and struck out the first seven men he faced to set one record and tie another. He fanned 14 batters before giving way to a pinch-hitter in the seventh inning.

The seven consecutive strikeouts established a major league mark for relief pitchers and tied the American League standard.

Fred Gladding, who was the winning pitcher, fanned four more Red Sox batters in the last two innings to give the Tigers 18 strikeouts for the contest.

"After a while," McLain said, "I had the best curve ball I have had this season. But I really didn't think I had a thing when I faced the first five batters. I threw fast balls and I guess I was just lucky to get him out.

"Later, my curve ball started to come in and made the other pitches that much more effective."

"He had his best stuff out there today," catcher Bill Freehan chimed. "He's got a sneaky fast ball. It's by the batters before they realize it."

Horton, who has now hit a homer in each of the last three games, said he hit a fast ball under his chin.

How can a batter hit a home run on a pitch that has to be hit with the handle of his bat?

"When you are strong, anything is possible," Dressen said of his star left fielder. "With me, it would just about get over the shortstop's head."

Before the eighth-inning fireworks, the Tigers were held to just two hits by Earl Wilson and Arnold Earley—a single by Don Wert in the third and a double by Norm Cash in the seventh.

They scored two runs in the fifth when Wilson walked four batters and Dick McAuliffe hit an infield grounder.

McAuliffe was hit on the head by an Earley pitch leading off the eighth. Jerry Lumpe doubled and Gates Brown singled to score the first run.

Al Kaline popped out before Horton hit his homer off Dick Radtz.

Wickersham, whose only victory this season came on April 15, was the victim of some "lucky" hits by the Red Sox.

Lenny Green blooped a single over McAuliffe's head, Carl Yastrzemski bounced a single off Wickersham's leg and Lee Thomas hit a bounder in front of the plate which Freehan fielded, but was unable to tag the runner crossing the plate.

Singles by Felix Mantilla and Tony Conigliaro were the only solid hits of the inning.

The Red Sox got to McLain for two runs in the sixth on a walk, a double by Ed Bressoud and a single by Green.

Tiger Pitcher Dennis McLain Breaks Record

By The Associated Press

Dennis the Menace is one-up on the Monster; the Monster has the Willies and the Boston Red Sox have had a tankful of the Tigers.

Detroit's Denny McLain, no menace in 10 of 11 previous pitching efforts this year, set a major league strikeout record Tuesday night in the Tigers' 6-5 come-from-behind victory over Boston.

Dick Radatz, the Monster of the Red Sox' bullpen who shared the strikeout mark broken by McLain, came in to protect a three-run lead in the eighth inning and gave up four, including a decisive three-run homer by American League home run leader Willie Horton.

McLain, a 21-year-old right-hander who struck out 261 hitters and married Lou Boudreau's daughter two years ago, replaced Detroit starter Dave Wickersham in the first inning Tuesday night and fanned the first seven Red Sox he faced, breaking by one the all-time record for consecutive strikeouts by a relief pitcher.

He wound up with 14 strikeouts in 6 2-3 innings — and no cigar. Fred Gladding, who pitched the final two innings after McLain was lifted for a pinch-hitter, received credit for the victory. Gladding added four strikeouts, giving the two Detroit relievers a total of 18 for the game.

McLain, whose string of seven strikeouts also tied the AL record for starting pitchers and relievers — starters Max Surkont, Johnny Podres and Jim Maloney share the modern major league mark of eight — now has fanned 66 in 73 1-3 innings.

The Chicago native has started nine games this season and completed only one of them, a three-hit 4-0 victory over Washington May 19. He is 2-3 for the season and 8-9 with the Tigers since they picked him up from the White Sox on first-year waivers in 1963.

McLain's strikeout feat overshadowed league-leading Minnesota's 4-0 triumph over second-place Chicago in the opener of a three-game series between the two contenders. Baltimore nipped the New York Yankees 2-1 in 10 innings; Cleveland whipped Washington 8-3 and Kansas City blanked the Los Angeles Angels 5-0.

McLain, who relieved Wickersham with Boston in front 3-0 in the first, yielded two more runs before leaving the game for a pitcher in the seventh.

Radatz, the third relief pitcher to fan six men in a row — he did it against the Yankees last month — gave up a run in the eighth on a hit batsman, Jerry Lumpe's double and Gates Brown's infield single before Horton unloaded a 3-2 pitch into the lower left field stands.

The homer was Horton's third in three games and 14th of the season.

Minnesota's Jim Grant stopped the White Sox on five hits for his sixth victory in seven decisions. He has beaten Chicago three times without a loss. Tony Oliva and Bob Allison hit home runs off Gary Peters, 5-5, as the Twins stretched their league lead to 1½ games.

Russ Snyder, a former Yankee farmhand, drove in both Baltimore runs with a sacrifice fly in the eighth and a 10th inning single, beating Mel Stottlemyre, 7-3, and enabling the Orioles to stretch their winning string through five games.

Rocky Colavito's three-run homer and Chuck Hinton's solo shot powered Cleveland past the Senators. Gary Bell pitched the last three innings, preserving Sam McDowell's seventh victory. Hinton, an ex-Senator, has hit four of his six homers against Washington.

Manske Paces Highland Men

The first three teams retained their position in the Highland Twilight League, but the big news was the surge by the Hi Flyers from a ninth place tie into the fourth spot with an eight point splurge.

Scoring honors for the night were taken by Mel Manske with a 36-38, followed by Dave Friets, Jerry Harris and Jack Smith with 37, Lany Johnston, 38, Jerry Martin 39, and Jim Douglas and Warren Stanchina 40.

Team standings: Rum Dums 21, Doug's Dubbers 19, Turf Riders 18, Hi Flyers 17, Pel Melers 16½, Divot Digers 16, Free Swingers 15½, Hackers 15, Par Busters 13, Barney's Beavers 13. Has Beens 12½, Go Getters and Wertz's Watusis 12, Moonlighters and Long Knockers 11½, Sod Busters 10½, Smitty's Smackers 9½, and Big Stickers 8½.

Wells Township Practice Games

Wells Township baseball practice games have been scheduled for Thursday at Wells and Soo Hill, as follows:

At Wells Culvert, Junior League 9:30 to 10:30 and Beginners League 10:30 to 11:30.

At Soo Hill, Junior 1:30 to 2:30 and Beginners 2:30 to 3:30.

Alou Brothers Hot At Plate As Braves Gain

By The Associated Press

Felipe and Matty Alou haven't been teammates for two seasons, but they still work together like the Lone Ranger and Tonto.

The brothers, Felipe with Milwaukee and Matty with San Francisco, teamed up Tuesday night to move the Braves a game closer to the National League-leading Los Angeles Dodgers.

Felipe drove in six runs with two homers and a single, sparking the second-place Braves to a 12-7 victory over Philadelphia while Matty scored both runs in the Giants' 2-1 triumph over the Dodgers. Milwaukee now trails Los Angeles by 2½ games.

The Alou brothers, including Jesus, played together with the Giants in 1963. At the time, Felipe was in his sixth year, Matty his fourth and Jesus his first at San Francisco. But in December of that year, Felipe was shipped to Milwaukee, and then there were two.

Jesus has been a permanent fixture in the Giants' outfield this year while Felipe has started either at first base or in the outfield at Milwaukee. Matty, on the other hand, has been only a sometimes San Francisco starter.

He enjoyed one of his better nights against the Dodgers, though. With one out in the first inning, the 26-year-old lefty doubled and stole third as pitcher Don Drysdale peered in for the sign for his first pitch to Willie Mays. Mays then tripled for the first run.

After Wes Parker's home run tied the game in the fourth, Matty led off the sixth by beating out a bunt in front of the plate. He moved to second on an infield out and raced home as Jim Hart singled to right.

Felipe, meanwhile, became the first National Leaguer to knock in six runs in a game this season. His performance brought his average to .302, his homer total to 10 and his runs batted in mark to 36, the last just one behind Ed Mathews' team-leading 37.

In other NL games, Pittsburgh outslugged St. Louis 10-6, Cincinnati downed New York 5-1 and Chicago whipped Houston 5-0.

Marichal held the Dodgers to five hits, two by Drysdale, and brought his record to 10-5. Drysdale, who had won nine of his last 10 games, suffered his fourth setback against 11 victories.

Felipe Alou ignited a 21-hit Braves' attack with his first-inning homer, then singled home two runs in the six-run third and clouted a three-run homer in the sixth. Eddie Mathews triggered the six-run outburst with a home run, the 2,000th hit of his career.

The Pirates beat St. Louis for the first time in 18 games as Donn Clendenon drove in four runs with homers in the eighth and ninth innings. Pinch hitter Ossie Virgil's bases-empty homer in the Pittsburgh seventh tied it 5-5 after the Cardinals had scored four times in the fourth, two on Jerry Buchek's triple.

Merchants Top Michigan Hotel By 3-0 Margin

Tuesday Results

Merchants 3, Mich. Hotel 0
Teamsters 8, No. 3 Mead 2

Games Tonight

6:45—Flat Rock vs. Hall Ins.
8:15—Mead 1 vs. Teamsters

The Merchants cemented their second place position in the Escanaba Softball League race Tuesday night with a 3-0 decision over Michigan Hotel.

Bill McGovern made his debut on the Merchants' mound and blanked the Hotel team, fanning 10 batsmen and walking one. Jug Bourdeau worked the hill for Michigan Hotel. Beaver Lancour paced the Merchants with two hits in three trips.

Slow Pitch

Amvets-Little Mike's 14, Metropolitan Hotel 0.

Kidd Low Man In Golf Play

Al Kidd again paced the Escanaba Country Club golfers in Twilight League action Tuesday with a two over par 38. Following were Ed Gravelle, Elmer Swanson and Don Scott with 40s.

Tied for first place in the best ball event were Al Kidd-Ron Pertile, John Peltin-Kirk Harrington and Joe Smith-Fred Shaw with net 30s. Jim Peltier was the closest to the pin on No. 7.

Standings: Pea Soups 38½, Gravelle's Gerties 36½, Paper Makers 35, Finishers 34½, Hogan's Hustlers 31½, Flyers 30, Meier's Bogeymen 30, Pixies 29½, Ghouls 29, Hashers 28½, Hush Puppies 28, No Accounts 27, Town & Country 27, Puckies 25, Manhattans 21½, Ice Boxes 19, Big John's Boomers 17 and Birdie Boys 15.

Booster Club Meeting Set

A special meeting of the Holy Name Booster Club will be held Thursday at 8 p. m. at the multipurpose room at Holy Name High School.

Plans for the development of the new athletic field will be completed.

Grelle Fastest American Miler

VANCOUVER (AP) — Lanky Jim Grelle of Portland, Ore., became North America's fastest miler Tuesday night in a race that saw Peter Snell of New Zealand turn in the worst race of his startling career.

Grelle made good his boast to lick Snell in the magic mile at the Vancouver International track meet. And he did, in a time of 3:55.4, the fastest mile ever run by an American.

The fastest previous mile by an American citizen was 3:55.5 by Jim Beatty in 1963.

But for a jubilant Grelle, the edge was taken off the victory by the dead-last finish of Snell — a victim of a stomach ailment in the morning.

As the race progressed and it became obvious that Snell was not going to make his move, the excited crowd of 13,891 turned its attention to the front runners.

The crowd went wild as Grelle headed for and finally broke the string. Tony Harris of London crossed the line in 4:2.5, some 15 yards behind Grelle, with Cary Weisiger of Raleigh, N.C., breathing down his neck with a 4:02.8 clocking.

The spectators fell silent as Snell trudged to the finish. A few booed him.

Snell collapsed over an iron fence at the side of the track — tears welling in his eyes. He was unable to talk.

The New Zealander, the one the spectators had hoped to see regain his world record lost last week to Frenchman Michel Jazy with a time of 3.53.6, walked to the public address system and was handed the microphone.

"It will take me a long time to get over the shame of running last," he said in a quavering voice.

"Please believe me, I was doing my best."

He explained to the crowd of an upset stomach he suffered in the morning.

The spectators apparently accepted the New Zealander's explanation. They stood and cheered him.

Grelle's performance was enough to earn him the title of outstanding male athlete of the meet.

However, he admitted disappointment that Snell was not able to run his usual race. "He would have given me a hard race . . . he's a remarkable sportsman."

Bankers Beat Harnie Local

The Bankers defeated Harnischfeger Local 14-2 behind a two hit pitching performance by Lauren Kositzky in Babe Ruth baseball action Tuesday.

John Chylek and Jim Lancour shared the Harnischfeger mound and gave up nine hits.

Jim Olson, Kositzky and John Lietzman paced the winners with two hits each. Jim Fisher had both the Harnie hits.

Minor League

The Lions will practice at the Minor League field, instead of at Royce Park as originally scheduled, this evening.

Striped Bass May Be Tried

By BOB VOGES

LANSING (AP) — The striped bass, a fighting, jumping ocean sports fish, may be the next import tried out in Michigan waters by the experiment-minded Conservation Department.

If the planting is tried and takes successfully, this would be a sports fisherman's dream come true.

Take the word of this writer, who has devoted long summers when younger and entire vacations more recently going after the stripers in their native waters off Cape Cod, Mass.

Can Be Frustrating

Striper fishing can be one of the most satisfying or frustrating of sports.

You can spend hours casting from a surf-pounded beach or trolling from a boat — nearly throwing your arm out of the socket — and only pull in a few sand sharks.

Then, when the run is on, catches of half a dozen stripers a day—weighing 20-30 pounds or more—will make it all worth while.

Robert Stevens, fish biologist with the South Carolina Wildlife Resources Department, is in Michigan this week to consult with the State Conservation Department on the possibility of importing the stripers to Michigan.

"You need a good food supply —you have that," Stevens said, "and you need a suitable spawning ground."

Current Needed

The overabundance of alewives in the Great Lakes promises an ample food source, Stevens said. The Great Lakes temperature should be no problem since the fish range as far north as Nova Scotia.

But they need a strong current for the fish to reproduce. The eggs must drift in the current for about two days before they hatch—if they go to the bottom they suffocate.

The stripers now are so abundant in the Santee - Cooper Reservoir, a 160,000 acre body of inland water in South Carolina, that a striper rodeo has become a gala annual fishing event.

The largest fish caught there recently weighed 55 pounds.

The striper gained access to the reservoir accidentally through a lock. They have successfully reproduced in fresh water and have been planted in fresh water in other southern states.

The stripers are a great sports fish, good eating and in sufficient numbers could provide a major boost to the commercial fishing industry in the Great Lakes.

Trial Of Mayor In Seventh Day

DETROIT (AP)—The trial of Dearborn Mayor Orville Hubbard moves into its seventh day today, with chief defense attorney George E. Woods scheduled to continue presentation of his case for Hubbard and two top police aides.

Hubbard, Public Safety Director George Lewis and Police Chief Garrison Clayton are being tried in U.S. District Court here for an alleged violation of an 1870 civil rights law—specifically that they conspired to deny police protection to a Dearborn homeowner whose home was attacked by a stone-hurling mob in the mistaken belief he had rented it to Negroes.

Dearborn Police Inspector Karl G. Parchert testified Tuesday he was present at the home of Giuseppe Stanzione when the attack occurred on Labor Day, 1963. He said Lewis and Clayton also were present and were in charge.

"If I had been the officer in charge," Parchert said, "I would have declared unlawful assembly and told the crowd to disperse." He added he was convinced it would have required force to disperse the "angry, irate crowd."

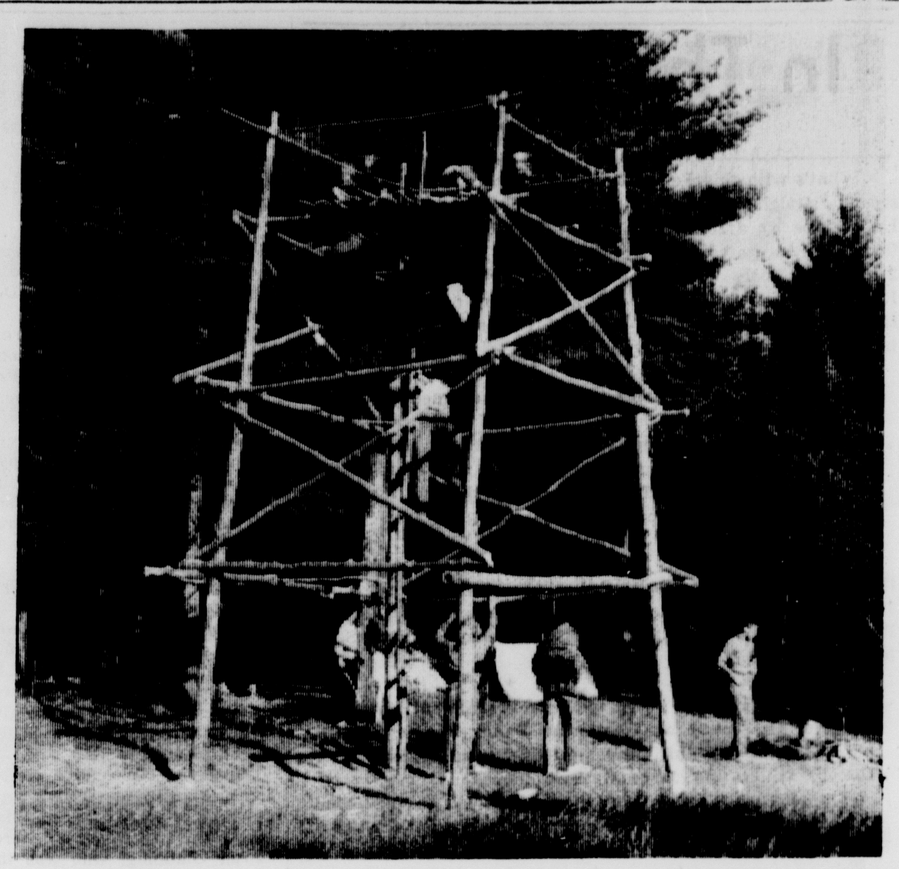
Woods said any effort to disperse the crowd would have resulted in injuries to citizens and police. For this reason, Woods said, the judgment of Clayton and Lewis not to take direct action was a wise decision.

Births

Mr. and Mrs. Elmer Brazeau, 429 Center St., are the parents of a daughter born June 14 at Schoolcraft Memorial Hospital. The baby weighed 8 pounds 11½ ounces. Mrs. Brazeau is the former Barbara Zimmerman.

A baby girl was born to Mr. and Mrs. James McNeill of Engadine at the Schoolcraft Memorial hospital. The baby weighed 8 pounds 2¾ ounces. Mrs. McNeill is the former Nancy Traver.

A German study indicates that the noise of boiler factories, railroad stations and airports stunts the growth and weakens the hearts of nearby children.



SPRING CAMPOREE was held last weekend for Boy Scouts from Hermansville, Escanaba, Gladstone, Rapid River, Manistique and Cooks, in the old Camp Cooks area near Jug Lake. A 5-mile hike with knapsack opened the camp program, which included Order of the Arrow tapout Saturday night. The picture shows a signaling tower built by Scouts. Troop 400 of Manistique, won first and second place and Manistique Troop 402, third. (Daily Press Photos)

MANISTIQUE

City Endorses Airport Plan Navigation Aid

The Manistique City Council Monday night indicated it endorsed installation of an omni navigational aid at the Schoolcraft County airport.

The Federal Aviation Agency requested the city comment on the proposed installation, registering objections or endorsements.

The aid will assist planes in coming over Lake Michigan from Pellston and should make the Schoolcraft Airport that much more attractive to pilots, it was noted.

Introduction of an anti blight ordinance was moved.

A renewal of a request for a water line was presented by Gordon Hoedel. The project is part of an overall one for the area. Engineering studies have not been completed.

A 30-day extension was granted in proceedings under the dangerous structures ordinance for property of Mary Buckley at Schoolcraft and Otter intersection.

In a special meeting held earlier, liability insurance was awarded the Schoolcraft Agency on a bid of $2,646.76 and Workmen's Compensation to Robert Orr Agency, for $3,326.41.

A statement on the budget and the public safety department was read by the manager.

Adelaide Hart Coming June 17

Adelaide Hart, Democratic vice chairman, will be in Manistique Thursday, June 17, at 11 a. m. She will meet the party leaders at the Schoolcraft County Courthouse. All interested Democrats are welcome.

Anna Shaw Is Engaged

Mr. and Mrs. Lyndon Shaw are announcing the engagement of their daughter, Anna to Robert Vigliotti, Boston, Mass. No date has been set for the wedding.

Club Winners Are Announced

The afternoon group of Indian Lake Golf and Country Club met Tuesday and enjoyed lunch with Mrs. Elmer Lundstrom and Mrs. Leon Nicholson as hostesses.

Bridge winners were Mrs. Ray Prine, Mrs. W. J. Guinan, Mrs. Dorothy Shipman and Mrs. Elmer Lundstrom.

The next meeting is 1 p. m., Tuesday with Mrs. George Schweigert and Mrs. J. P. Quick as hostesses. Reservations should be made with them by noon Monday.

Hospital

Admitted to the Schoolcraft Memorial Hospital were Ferd Gorsche, 226 Range Street; Barbara Brazeau, 429 Center Street; Jeanette Charrier, 517 Arbutus Avenue; Kelli Maki, Munising; Ethel Terrian, N. First Street; Bonnie Shepley, Shingleton; Joyce Burns, Germfask; Manley Propst, Grand Marais; Sandra Cortes, Morgantown, West Virginia; John Jenerou, Route 1; Beatrice Buzzo, Gulliver.

Discharged were Frank Zehren, Marbey Hornstein, Harvey Patz, and Everette Patz.

K-C Fourth Degree Elects Officers

At their annual election Monday, the Knights of Columbus re-elected Fred Lesica to head the Fourth Degree. The assembly has voted to become a general assembly, taking the name "St. Francis de Sales General Assembly 2026."

Re-elected to serve with Lesica are Robert (Pete) Berger, captain; William Rodman, pilot; Fred Cayia, Jr., admiral, Ray Krusic, comptroller. Charles Redeker and Donald Duquette were elected sentinels.

Elected trustees were J. Earl Cousineau, one year; R. G. Hentschell, two years, Leonard Harbick, three years. Msgr. F. M. Scheringer was elected Friar.

On June 5 the Assembly enjoyed a bowling party at Lakeview Lanes.

Donald E. Messier, master of the Fourth Degree announced the U. P. exemplification will be held in Marquette Sept. 25 and 26.

Twilight League Standings Told

The Brassies and Tigers will entertain for play in the Twilight League at Indian Lake Golf and Country Club Thursday.

The Dubbers lead with 35 points, and the Drivers at 28 and 19th Holers, 24. Svenskas have 22, Brassies, 20 and Gas House Gang 18.

In play last week the Whiffers lead with 16 points, Tigers with 15, Divot Diggers with 14, King Pins with 13. Pros and Barneys Badgers had 10 each.

Pairings this week are:

Whiffers vs. Dubbers
V. Dufour - C. Strasler
C. Jahn - Wm. Howe
J. Ballas - W. Graff
G. Pawley - Walter Minor
G. Thomas - T. Hohoiik
R. Prine - C. Rusiecki

19th Holers vs. Gas House Gang
B. Malloy - M. Nelson
T. Thompson - J. Crossley
J. Kelly - C. Davis
J. Matthews - Wm. Hood
M. Weiner - R. Archey
H. Calhoun - R. Pitts

Tigers vs. Divot Diggers
J. Kelly Jr. - M. Ekberg
M. Larson - P. Villemure
L. Males - C. Atwater
C. Carlson - B. McKilligan
W. Guinan - D. Carlson
D. Rood - D. Messier

Brassies vs. Barney's Badgers
N. Modders - B. Johnson
A. Maitland - E. Jackson
W. Rousse - P. Weber
P. Bassett - J. Girvin
N. Reese - G. Miller
J. McLaughlin - R. Bertrand

Svenska's vs. Drivers
E. Farrell - R. Schmidt
R. Carlson - H. Chartier
R. Nelson - W. Beaudin
R. Broullire - A. Carpenter
E. Doyle - H. Purdy
T. Richards - S. Arnold

Pro's vs. King Pins
W. Hentschell - O. Smits
J. Mincoff - H. Rodgers
H. Cockran - H. Bowman
E. LeBrasseur - J. Carlson
R. G. Hentschell - D. Warshawsky
Curran-Tufnell - B. Gero

Personals

Mr. and Mrs. Ron Edgerton, Wellesley, Mass., are visiting her parents, Mr. and Mrs. E. T. King and also with her brother-in-law and sister, Mr. and Mrs. Willard Bolitho.

Mrs. Roy Stewart and Mrs. Ronald White and Mark and Ronnie Jr. went on the weekend to Milwaukee to visit relatives. They also visited John Stewart who was a hospital patient at Port Washington, Wis.

Philip Bartosiewicz and Connie Malinowski have returned to Chicago after visiting with their grandmother Mrs. Bartus and with Mr. and Mrs. Vern Bernard ofManistique and with their uncle John Bartus who is a patient in the Schoolcraft Memorial Hospital and with other relatives in Garden.

Auxiliary Aids Legion July 4 Celebration Fund

At a regular meeting of American Legion Auxiliary 83 Monday evening it was decided to contribute $25.00 to the American Legion Post for the July celebration.

There will be no meeting in July.

The August 9 meeting will be at 6:30 p. m. Potluck picnic at the Frank Rogers State Park, Thompson, if weather permits. If not, the meeting will be held at the Youth Center.

Students from Central School 5th and 6th grades who aided the Auxiliary in their poppy sale will be entertained at this meeting and there will be election of officers.

Officers Named By K-C Council

Sylvester (Seb) Rubick was elected grand knight of Manistique Knights of Columbus Council 2026 at the annual election Monday.

Gene Cheslak was elected deputy grand knight, Robert Hewitt, recording secretary, George Matthews, advocate, Bill Beaudin, chancellor, John Matthews, treasurer, Wesley Turan, warden, Phil Villemure, trustee for three years, Art Demers, inside guard, Frank Weber, outside guard.

The office of chaplain is held by Rt. Rev. Msgr. F. M. Scheringer, and financial secretary by Fred Lesica. Lowell Cooper was elected to serve on the building committee for a 3-year term.

Sunday, June 20 has been designated as Corporate Communion Sunday. Members have been asked to meet at the parochial school and march in a body to the 8 o'clock Mass.

Briefly Told

Public Safety officers ticketed Charles R. Lovell of Garden for speeding.

Application for a marriage license has been made by Jacquelynne Ruth Anderson, 220 Oak St., and David John Sturtevant, Whitmore, Mich.

State Police ticketed Donald Dalton, Lincoln Park, expired chauffeur license; Anthony B. Kravis, Sault Ste. Marie, driving left of Center, and Maurice M. Ekstrom, St. Ignace, speeding.

Fine of $25 and costs of $2 were assessed in Justice Court to Martin P. Shaw, Star Rte. on a Public Safety department charge of being a minor in possession of beer. The offense occurred May 22. He was alone at the time, the court reported.

Home Labor Will Harvest Pickles

WASHINGTON (AP) — The Labor Department said Tuesday it has been notified by a growers' association in Michigan that it probably will be able to meet labor needs this year with domestic workers.

Members of the organization, the National Pickle Growers Association, used more than 12,000 foreign workers in Michigan last year, according to the department.

The association's secretary, William Moore, was quoted in the announcement as saying that 14,000 to 15,000 Americans will be available to pick the cucumber crop, between July 15 and Sept. 15.

Teacher Accused Of Giving Liquor To Minor Student

BEULAH (AP) — Benzie Central High School art teacher Robert Sweeny, 39, was free on $250 bond pending an appeal of his justice court conviction of furnishing intoxicating liquor to a minor.

Sweeny was ordered to pay a fine of $75 plus $50 costs and serve 10 days in the Benzie County jail following his conviction Friday, but filed an appeal immediately and was released on bond.

His wife, Donna, 36, a grade school teacher, awaits trial on the same charge. She was acquitted earlier this year after justice court trial on one count of contributing to the delinquency of minors.

The charges grew from allegations that the couple served intoxicants to three high school students at the teachers' Crystal Lake home. The teachers were suspended pending outcome of the court cases.

No. 2 Man Named In State Police

EAST LANSING (AP)—State Police Commissioner Frederick Davids has announced the appointment of Capt. Melvin Kaufman, Bay City district commander, as new superintendent of the Uniform Division.

Kaufman succeeds Howard Seiler, who retired in April.

Kaufman enlisted in the state police in 1940 and previously served at Detroit, South Haven, Flint and Esst Lansing. His new post is the No. 2 spot in the state police.

The appointment was the first major one made by Davids since he was selected as commissioner to succeed Joseph Childs, retired.

Lt. Edward McGarvey, assistant commander of the East Lansing Safety and Traffic City District.

Lt. Volney Caukin, assistant commander of the Detroit District, was promoted to captain and district commander there, succeeding Davids.

Other promotions and transfers announced included:

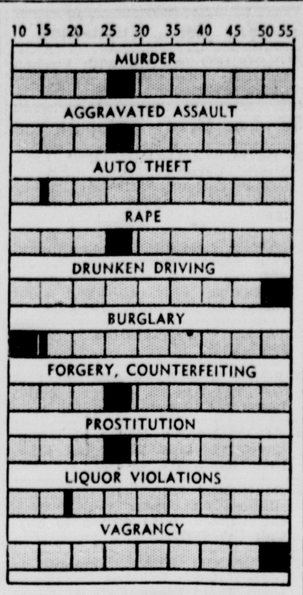
Sgt. Don Downer, Traverse City, promoted to lieutenant and assigned as assitant commander of the East Lansing Traffic and Safety Bureau.

Staff Sgt. Edward Lenon, Ypsilanti Post commander, promoted to lieutenant, transferred to Detroit as assistant district commander.

Sgt. Carl Freeborn, Cadillac Post commander, promoted to staff sergeant, transferred to command at Ypsilanti.

Cpl. Robert Buchanan, Mount Pleasant, promoted to sergeant, assigned to command at Cadillac.

Some 100,000 varieties of flowering plants would disappear from the earth if bees should ever become extinct.



AGE OF CRIME — Black squares on Newsmap above indicate the ages at which persons are most likely to commit certain crimes, according to the FBI's Uniform Crime Report. In 1964, arrests of persons under 18 were up 13 per cent, although the population age group 10 to 17 increased only 4 per cent.

Williams Admits He Would Like To Be Senator

DETROIT (AP) — Former Gov. G. Mennen Williams said Monday he would "certainly consider" running for the U.S. Senate—but only if Sen. Patrick V. McNamara, D-Mich., does not run.

Repeating his pledge not to run against McNamara, whom he called a "very effective senator," Williams told a news conference he had no indication that the incumbent would not seek re-election in 1966.

Speaking to an International Conference of Credit Union Executives in Detroit, Williams, now assistant secretary of state for African affairs, said it would be nice to return to Michigan to work with a "constructive legislature." Democrats dominate both houses.

DISCOVERED COAL

Father Hennepin first discovered coal in North America when he observed the mineral along the Illinois River 80 miles southwest of today's Chicago in 1679.

Don't delay any longer! Convert now to natural Gas heat!

You owe it to yourself to enjoy the warmth, the thrift, the cleanliness of dependable Gas heating in your home. The odds are 95 out of 100 that a conversion unit can be easily installed in your present furnace. And now's the time to convert. In most cases the conversion unit can be installed in a matter of a few hours!

Then you can sit back and look forward to a pleasant winter . . . with fuel bills reduced as much as ⅓. And Gas is automatic. You just set it and forget it. Convert now to natural Gas.

Just call 786-1616 in Escanaba or visit the Michigan Consolidated Gas Company office at 1628 Ludington. Or see your heating contractor and save with natural Gas.

SAFETY TESTED

FROM A CONTINUOUS TEST PROGRAM—A NEW CONCEPT

The Riverside X.L.T. is an entirely new concept in retreads. Never before have you been assured of such quality! Each casing must pass a strenuous series of inspections before certification. All casings which show pinhole punctures, ply separation or tire wall weakness are rejected. Premium quality *RIV-SYN* tread (Wards extra mileage producer) is then bonded to the tire using the most advanced bonding methods. And that's not all—Wards subjected the X.L.T. to the ultimate inspection, a grueling track test by world famous racing champ, Parnelli Jones. The X.L.T. passed with flying colors—proven quality. 24-Month guarantee against tread wear, road hazards.
